Updated September 12, 2016

Frequency of Dispensing Policy Product Exemptions

Exclusion of inhalers, nebulizers and nitroglycerin sprays

The following inhalers, nebulizers and nitroglycerin sprays are excluded from the Frequency of Dispensing policy.

Enquiries about the potential inclusion of similar products (i.e. those that may create a quantity issue when the Frequency of Dispensing policy is applied) can be emailed to the Ministry of Health Services, Pharmaceutical Services Division at pharma@gov.bc.ca.

The following table is organized alphabetically by product name and numerically by DIN/PIN.

DIN/PIN	DRUG NAME
02240835	ADVAIR® 100 DISKUS®
