# Ministry of Transportation and Infrastructure - 2011 Carbon Neutral Action Report

## Actions Towards Carbon Neutrality

The actions listed below contribute to a reduction in greenhouse gas emissions from sources for which public sector organizations are responsible under the carbon neutral government regulation of the *Greenhouse Gas Reduction Targets Act.*

| Action | Status (as of 12/31/11) | Performance to Date (as of 12/31/11) | | Steps Taken in 2011 | Steps Planned for 2012 -2014 | Start Year | End Year |
|---|---|---|---|---|---|---|---|
| **Mobile Fuel Combustion (Fleet and other mobile equipment)** | | | | | | | |
| **Vehicle fuel efficiency** | | | | | | | |
| Replace vehicles with more fuel-efficient models | Ongoing/In Progress | 85 | % of vehicles are fuel- efficient models | The 79 vehicles acquired in 2011 were flex fuel capable (i.e. high ethanol concentration), propane or diesel. 70 year-2000 vehicles which used only gasoline were retired from the fleet. | In 2012, 70 new fuel efficient vehicles will be acquired, comprised of flex fuel, diesel and "multiple displacement system" engines which deactivate some cylinders when the throttle is closed or at steady speeds. | 2000 | No End Date (Continuous) |
| Replace larger vehicles with smaller models according to fleet "right-sizing" principles | Ongoing/In Progress | 32 | % of vehicles down-sized since start year indicated | All vehicles acquired in 2011 reflect a continuation of the Ministry's commitment to ensuring the correct vehicle is chosen for the function it will be performing. | The Ministry will be replacing 10 Tahoes with pick-ups in 2012. | 2004 | No End Date (Continuous) |
| Perform regular fleet maintenance specifically to improve fuel-efficiency | Ongoing/In Progress | 100 | % of vehicles are subject to regular maintenance for fuel efficiency | Drivers of Ministry vehicles receive regular reminders of the importance of regular maintenance. | The Ministry will continue to reinforce the importance of the prescribed maintenance schedule. | 2006 | No End Date (Continuous) |
| Replace small maintenance vehicles with more fuel-efficient models | Ongoing/In Progress | 75 | % of small maintenance vehicles are fuel-efficient | Two snowmobiles were leased to replace 2 older less fuel efficient year-2000 snowmobiles. | The Ministry will continue to replace older small vehicles as budgets permit. | 2007 | No End Date (Continuous) |
| **Behaviour change program** | | | | | | | |
| Provide fleet driver training to reduce fuel use | Ongoing/In Progress | | | The Ministry has an internal website which provides drivers with eco-driving behaviour information. Staff are also encouraged to utilize the DriveSmart Driving Simulator which is available on both the LiveSmart website and the Ministry's Climate Action Program intranet. | The Ministry will review the potential expansion of our existing driver training opportunities. | 2009 | No End Date (Continuous) |
| Introduce anti-idling policy and/or raise anti-idling awareness for fleet drivers (e.g., signs, stickers, messages) | Ongoing/In Progress | 100 | % of Ministry vehicles which have an anti-idling sticker. | An additional 20 anti-idling signs were installed at Ministry facilities, to complement the over 40 signs previously installed. | Additional anti-idling signs will be installed as new facilities come onboard. | 2009 | No End Date (Continuous) |
| Encourage carpooling in fleet vehicles | Ongoing/In Progress | | | Four Ministry vehicles were converted from individual allocation to pool uses. | The Ministry will review other available options to increase car pooling in fleet vehicles. | 2009 | No End Date (Continuous) |
| Promote alternatives to fleet vehicle travel where possible (e.g., bicycles, public transit, walking) | In Development | | | | The Ministry will review the feasibility of providing transit fare for those who may wish to use that mode of transportation. | | |
| **Stationary Fuel Combustion, Electricity and Fugitive Emissions (Buildings)** | | | | | | | |
| **Planning/management** | | | | | | | |
| Reduce office space (square meters) per employee | Ongoing/In Progress | 26.5 | is the current average rentable square meters per employee | Detailed planning for a pilot "Leading Workplace Strategies" initiative for the Ministry's Headquarters office took place in 2011. Once implemented, the strategy will reduce our leased space. | The Leading Workplace Strategy will be implemented in 2012. In addition, approximately 170 Ministry staff currently located in three buildings in the Metro Vancouver area will begin to occupy a new LEED Gold standard building in 2012. | 2009 | No End Date (Continuous) |
| **IT power management** | | | | | | | |
| Install power management software which shuts down computers outside of regular business hours | Ongoing/In Progress | 99 | % of computers shut down automatically outside of regular business hours | Software which powers down computers outside of regular business hours was installed on all computers acquired in 2011. | All new acquired workstations will have power management software installed. | 2008 | No End Date (Continuous) |

# Ministry of Transportation and Infrastructure - 2011 Carbon Neutral Action Report

| Action | Status (as of 12/31/11) | Performance to Date (as of 12/31/11) | | Steps Taken in 2011 | Steps Planned for 2012 -2014 | Start Year | End Year |
|---|---|---|---|---|---|---|---|
| Implement server virtualization | Ongoing/In Progress | 28 | % of servers have been virtualized since start year indicated | In partnership with SSBC, 7 Ministry servers were virtualized in 2011 in order to consolidate various programs on a single server. | By the end of 2013, 80% of all Ministry servers will be virtualized, eventually increasing to 85-90%. Complete virtualization is not achievable as some applications require a dedicated server. | 2010 | No End Date (Continuous) |
| Apply auto-sleep settings on computer monitors and CPUs | Ongoing/In Progress | 99 | % of computers have auto-sleep settings applied | Software which applies auto-sleep settings was installed on all computers acquired in 2011. | All new workstations acquired will have power management software installed. | 2008 | No End Date (Continuous) |
| Remove stand-alone printers, copiers, and/or fax machines and install multi-function devices | Ongoing/In Progress | 93 | % reduction in printers, copiers, and/or fax machines since start year indicated | In partnership with SSBC, the remaining stand-alone printers, copiers and/or fax machines were replaced with shared multi-function devices. | When a stand-alone printer requires either repair or replacement, consideration will be given to replace that machine with a multi-function device. | 2008 | No End Date (Continuous) |
| Apply auto-sleep settings on printers, copiers, fax machines, and/or multi-function devices | Ongoing/In Progress | 95 | % of devices have auto-sleep settings applied | New printers, copiers, fax machines and/or multi-function devices that were acquired had software installed which applies auto-sleep settings. | All new printers, copiers, fax machines and/or multi-function devices will have software installed which applies auto-sleep settings. | 2008 | No End Date (Continuous) |
| Replace computers with ENERGY STAR models during regular computer upgrades | Ongoing/In Progress | 99 | % of computers are ENERGY STAR rated | All new computers installed in 2011 were Energy Star models. | All new computers will be Energy Star models. | 2008 | No End Date (Continuous) |
| **Appliances and electronic devices** | | | | | | | |
| Replace refrigerators with ENERGY STAR models or source ENERGY STAR models for future purchases | Ongoing/In Progress | | | Older refrigerators were replaced by Energy Star models on an as required basis. | Older refrigerators will continue to be replaced by Energy Star models on an as required basis. | 2010 | No End Date (Continuous) |
| Replace other appliances or electronic devices with ENERGY STAR models or source ENERGY STAR models for future purchases | Ongoing/In Progress | | | Other appliances and electronics were replaced by Energy Star models on an as required basis. | Other appliances and electronic devices will continue to be replaced by Energy Star models on an as required basis. | 2010 | No End Date (Continuous) |
| Replace desk lamp incandescent bulbs with compact fluorescent (CFL) bulbs or source more efficient desk lamps for future purchases | Ongoing/In Progress | | | Incandescent bulbs were replaced with compact fluorescent bulbs on an as required basis. | Incandescent bulbs will continue to be replaced with compact fluorescent bulbs on an as required basis. | 2010 | No End Date (Continuous) |
| **Behaviour change program** | | | | | | | |
| Help staff reduce personal energy use through "workstation tune-ups" | Ongoing/In Progress | 99 | % of current staff have completed a workstation tune-up | All new workstations acquired in 2011 were installed with the same software applied to all Ministry computers in 2008 which automatically powers-down the computers outside of regular business hours. | All new workstations acquired will have energy management software installed. | 2008 | No End Date (Continuous) |
| Ask staff to unplug electrical equipment or switch off power bars when not in use | Ongoing/In Progress | 12 | % of current staff participated in the Hibernation Challenge | As part of the Ministry's participation in the corporate Hibernation Challenge, staff were encouraged to unplug electrical equipment and switch off power bars when not in use. | Staff will continue to be encouraged to unplug electrical equipment and switch off power bars when not in use. | 2009 | No End Date (Continuous) |
| Ask staff to close blinds at end of work day to reduce heating/cooling demands | Ongoing/In Progress | 12 | % of current staff participated in the Hibernation Challenge | As part of the Ministry's participation in the corporate Hibernation Challenge, staff were encouraged to close blinds at the end of the work day. | Staff will continue to be encouraged to close blinds at the end of the work day. | 2012 | No End Date (Continuous) |
| Encourage staff to use air dry setting on dishwashers | In Development | 12 | % of current staff participated in the Hibernation Challenge | | Staff will be encouraged to change the settings on dishwashers. | | |
| Provide tips to staff on saving energy in the office while working outside of regular business hours | In Development | 12 | % of current staff participated in the Hibernation Challenge | | Energy saving tips for staff working outside of regular business hours will be developed and distributed. | 2012 | No End Date (Continuous) |
| Encourage use of stairs instead of elevators | Ongoing/In Progress | 12 | % of current staff participated in the Hibernation Challenge | As part of the Ministry's participation in the corporate Hibernation Challenge, staff were encouraged to use stairs instead of elevators. | Staff will be encouraged to use stairs instead of elevators. | 2009 | No End Date (Continuous) |

# Ministry of Transportation and Infrastructure - 2011 Carbon Neutral Action Report

| Action | Status (as of 12/31/11) | Performance to Date (as of 12/31/11) | | Steps Taken in 2011 | Steps Planned for 2012 -2014 | Start Year | End Year |
|---|---|---|---|---|---|---|---|
| Provide reminders for turning off lights (e.g., signs, stickers, messages) | Ongoing/In Progress | 12 | % of current staff participated in the Hibernation Challenge | Sticker reminders for turning off lights were placed in numerous meeting and lunch rooms. | The practice of placing sticker reminders for turning off lights will be expanded into offices not currently using this strategy. | 2010 | No End Date (Continuous) |
| **Supplies (Paper)** | | | | | | | |
| **Paper Type** | | | | | | | |
| Purchase 30% post-consumer recycled paper | Ongoing/In Progress | 33 | % of total paper purchased contains 30% recycled content | The Ministry's 2010 Sustainable Office Products Procurement Policy establishes the requirement to purchase paper comprised partially from recycled materials, when specific paper requirements cannot be met by paper containing 100% recycled materials. | Ministry policy will continue to require the purchase of paper comprised of partially recycled materials in those situations when paper requirements cannot be met by paper containing 100% recycled materials. | 2011 | No End Date (Continuous) |
| Purchase 100% post-consumer recycled paper | Ongoing/In Progress | 44 | % of total paper purchased contains 100% recycled content | A Sustainable Office Products Procurement Policy was developed and implemented by the Ministry, which establishes paper manufactured from 100% recycled materials as the Ministry standard. | Staff will continue to be guided by the Ministry's Sustainable Office Products Procurement Policy which establishes paper manufactured from 100% recycled materials as the Ministry standard. | 2011 | No End Date (Continuous) |
| **Printer/document settings** | | | | | | | |
| Switch networked printers and photocopiers to automatic double-sided | Ongoing/In Progress | 99 | % of network printers or photocopiers are set to automatic double-sided | In partnership with SSBC, the Ministry ensured new network printers and multi-function devices were configured to be double-sided by default. | The Ministry will continue to work with SSBC to ensure new printers and multi-function devices are set to automatically print double-sided documents. | 2010 | No End Date (Continuous) |
| Encourage staff to apply "locked printing" as a workstation default to reduce the number of unclaimed print jobs | In Development | | | Research and analysis into the subject of locked printing was undertaken. | The Ministry's Information Management Branch will work with business units and SSBC to educate users on the ability to apply locked printing with the objective of some units adopting this practice, initially on a pilot basis. If successful, other business units will be encouraged to apply locked printing. | 2010 | No End Date (Continuous) |
| Reduce default margin size in standard document templates (e.g., letters, briefing notes, forms, etc.) | Ongoing/In Progress | | | In partnership, with SSBC, workstation configurations were modified to reduce the margin size for MS Office printouts. | The Ministry will continue to change the MS Office workstation configuration to use reduced margins. In addition, the Ministry's Information Management Branch will continue to educate staff on the benefits of using this approach and how to employ it. | 2010 | No End Date (Continuous) |
| **Electronic media in place of paper** | | | | | | | |
| Install collaborative software for electronic editing (e.g. SharePoint, Groove, etc.) | Ongoing/In Progress | 100 | % of staff workstations with software installed | The Ministry's Information Management Branch (IMB) actively promoted, and provided support and training in the use of Groove and SharePoint. Although the SharePoint service runs on servers maintained by SSBC, the IMB covers the associated costs in an effort to be more responsive to staff needs. | The Ministry's Information Branch will continue to encourage and support training in the use of advanced collaboration and communication software. | 2008 | No End Date (Continuous) |
| Use electronic document library for filing common documents | Ongoing/In Progress | | | A number of SharePoint, intranet and internet sites were created to file common documents. In addition, many business units continued to use TRIM to file common documents, and numerous websites were developed or updated to store common documents. | The Ministry's Information Management Branch will continue to encourage and support business units using TRIM as part of an ongoing records management strategy. In addition, the Branch will continue to develop, support and maintain SharePoint, intranet and internet sites for filing and sharing common documents. | 2008 | No End Date (Continuous) |
| Post materials online that were previously printed | Ongoing/In Progress | | | The Ministry's Information Management Branch continued to encourage the use of SharePoint sites by covering the associated costs for business units which wanted to use this strategy to distribute materials. | Staff will continue to be encouraged to use SharePoint sites to distribute materials. | 2010 | No End Date (Continuous) |

# Ministry of Transportation and Infrastructure - 2011 Carbon Neutral Action Report

| Action | Status (as of 12/31/11) | Performance to Date (as of 12/31/11) | | Steps Taken in 2011 | Steps Planned for 2012 -2014 | Start Year | End Year |
|---|---|---|---|---|---|---|---|
| **Behaviour change program** | | | | | | | |
| Train staff to use collaborative software for electronic editing (e.g. SharePoint, Groove, etc.) | Ongoing/In Progress | 50 | % of staff currently have received collaborative software training | Staff were invited to attend Lunch and Learn sessions and other informal training in the use of collaborative tools. In addition, a SSBC and Ministry service offering for SharePoint was created, and a number of business units are currently using the service. | Staff will continue to be encouraged to attend learning sessions and participate in self-study practices on the use of collaboration tools and SharePoint sites. | 2010 | No End Date (Continuous) |
| Encourage staff to hold paperless meetings or presentations (i.e., no handouts) | In Development | | | | A "Green Meeting" best practices document will be developed and distributed to all Ministry staff. | 2012 | No End Date (Continuous) |
| Encourage re-use of scrap paper | Ongoing/In Progress | | | Staff continued to be encouraged to re-use scrap paper. | Staff will continue to be encouraged to re-use scrap paper. | 2010 | No End Date (Continuous) |
| **Business Travel** | | | | | | | |
| **Virtual meeting technology** | | | | | | | |
| Install web-conferencing software (e.g., Live Meeting, Elluminate, etc.) | Ongoing/In Progress | 99 | % of computers have web-conferencing software installed | Staff were invited to attend Lunch and Learn sessions and formal training in the use of web-conferencing software. | Partnering with SSBC as part of the Workstation Refresh 3.0, the Ministry will provide web cameras and web-conferencing software to staff who can make use of it. | 2010 | No End Date (Continuous) |
| Make desktop web-cameras available to staff | Ongoing/In Progress | 20 | % of staff have access to a desktop web-camera | The Ministry continued efforts to install web cameras and delivered associated training. | Partnering with SSBC as part of the Workstation Refresh 3.0, the Ministry will provide web cameras and web-conferencing software to staff who can make use of it. | 2010 | No End Date (Continuous) |
| Install video-conferencing units in meeting rooms or provide mobile video-conferencing units | Ongoing/In Progress | 55 | % of meeting rooms have access to video-conferencing equipment | Additional meeting rooms were equipped with video conferencing equipment, including a Headquarter's boardroom which can accommodate 60 people and is available to all government staff. | Additional video conferencing equipment will be installed as warranted. | 2009 | No End Date (Continuous) |
| **Behaviour change program** | | | | | | | |
| Train staff in web-conferencing | Ongoing/In Progress | 20 | % of staff are trained web-conferencing | Staff training was ongoing. | The Ministry will continue to encourage the use of, and provide training for, web conferencing. | 2009 | No End Date (Continuous) |
| Train staff in video-conferencing or provide technical support for video-conferencing set-up | Ongoing/In Progress | | | Quick reference guides are available to staff on the Ministry's Information Management Branch website. | The Ministry will continue to encourage the use of, and provide training for, video conferencing. | 2009 | No End Date (Continuous) |
| Encourage staff to consider virtual attendance/presentation at events where possible | Ongoing/In Progress | | | Staff were encouraged to consider virtual attendance at events where possible and practical. | The Ministry will continue to encourage staff to consider participating in meetings through virtual attendance. | 2009 | No End Date (Continuous) |
| Encourage carpooling to meetings | Ongoing/In Progress | | | Staff were encouraged to carpool to meetings. | The Ministry will continue to encourage staff to carpool to meetings. | 2009 | No End Date (Continuous) |
| Encourage alternative travel to meetings (e.g., bicycles, public transit, walking) | Ongoing/In Progress | | | Through participation in the corporate Target: Green Streets initiative, staff were encouraged to use alternative modes to travel to meetings. | The Ministry will continue to encourage staff to use alternative means of travelling to meetings, and will review the feasibility of providing transit fare for those who may wish to use that mode of transportation. | 2009 | No End Date (Continuous) |

## Actions to Reduce Provincial Emissions and Improve Sustainability

The actions listed below contribute to a reduction in greenhouse gas emissions from sources that fall outside of the reporting requirements defined in the carbon neutral government regulation of the *Greenhouse Gas Reduction Targets Act.* Public sector organizations can optionally use this section to report on actions that will help British Columbia meet its provincial greenhouse gas reduction targets, engage the public, and improve environmental sustainability across all aspects of their organization.

| Action | Status (as of 12/31/11) | Performance to Date (as of 12/31/11) | Steps Taken in 2011 | Steps Planned for 2012 -2014 | Start Year | End Year |
|---|---|---|---|---|---|---|
| **Education, Awareness, and Engagement** | | | | | | |
| **Team-building** | | | | | | |
| Create Green, Sustainability, Energy Conservation, or Climate Action Teams with executive endorsement | Ongoing/In Progress | | The Ministry undertook a Green Team membership drive to encourage increased participation. | The Ministry will continue to encourage the growth of Green Team membership across the province. | 2008 | No End Date (Continuous) |
| Provide resources and/or dedicated staff to support teams | Ongoing/In Progress | | A comprehensive updating of the Ministry's Climate Action intranet site was undertaken. The site includes a designated Green Team page which provides resources for teams to share ideas and information, including a collaboration tool enabling teams to post their own resources and photos, ask questions and retrieve information for Green Team events. | As budgets and workloads permit, efforts will be made to ensure Green Team members have the resources they require to ensure success of their efforts. | 2008 | No End Date (Continuous) |
| Providing behaviour change education/training to teams (e.g., community-based social marketing) | Ongoing/In Progress | | Resources are available on the Green Team page of the Ministry's Climate Action intranet site. | Efforts will be made to ensure Green Team members have access to the resources they require. | 2009 | No End Date (Continuous) |
| **Awards/Recognition** | | | | | | |
| Establish a sustainability/green awards or recognition program | Ongoing/In Progress | | In recognition of their efforts, prize draws were held for those staff who participated in various corporate Carbon Neutral-related initiatives. | As budgets permit, prizes will be continue to be offered as incentives for staff to participate in various Carbon Neutral-type activities. | 2010 | No End Date (Continuous) |
| **Staff Professional Development** | | | | | | |
| Support green professional development (e.g., workshops, conferences, training) | Ongoing/In Progress | | Opportunities were available for staff to pursue climate action-related professional development opportunities. | As budgets and workloads permit, opportunities will continue to be available for staff to attend | 2008 | No End Date (Continuous) |
| Include green options in employee performance measurement system | Ongoing/In Progress | | Staff had the opportunity to discuss with their supervisors the possibility of including green options as part of their performance review process. | Staff will continue to have the opportunity to discuss with their supervisors the possibility of including green options as part of their performance review process. | 2008 | No End Date (Continuous) |
| **Staff awareness/education** | | | | | | |
| Provide education to staff about the science of climate change | Ongoing/In Progress | | Information and other resources on climate change are available on the Ministry's Climate Action intranet site. | The Ministry will seek other opportunities to present climate change education to Ministry staff. | 2008 | No End Date (Continuous) |
| Provide education to staff about the conservation of water, energy, and raw materials | Ongoing/In Progress | | The Ministry implemented a Seven Stream enhanced recycling program for our Headquarters location. Although initiated by the Ministry, the program also serves roughly 600 additional staff from other agencies in our Headquarters precinct area. Staff were provided extensive user guide information to support the implementation of the enhanced recycling program. | In 2012, the Ministry will pursue the expansion of the enhanced recycling program to include waste towels from all of the Headquarters precinct area washrooms. | 2008 | No End Date (Continuous) |
| Provide green tips on staff website or in newsletters | Ongoing/In Progress | | Green tips are available on the Ministry's Climate Action intranet site. | The Ministry will continue to enhance our Climate Action intranet site to provide additional green tips. | 2007 | No End Date (Continuous) |
| Provide sustainability education during new staff orientation | In Development | | | The Ministry will evaluate other ministries' green orientation practices and work with our Corporate Human Resources staff to investigate the feasibility of adding a green component to our staff orientation program. | 2012 | No End Date (Continuous) |

# Ministry of Transportation and Infrastructure - 2011 Carbon Neutral Action Report

| Action | Status (as of 12/31/11) | Performance to Date (as of 12/31/11) | Steps Taken in 2011 | Steps Planned for 2012 -2014 | Start Year | End Year |
|---|---|---|---|---|---|---|
| **Other Sustainability Actions** | | | | | | |
| **Waste reduction/diversion** | | | | | | |
| Implement a hazardous waste reduction and disposal strategy | In Development | | | The Ministry would be interested in participating in a cross-government initiative for this action. | 2012 | No End Date (Continuous) |
| **Procurement (non-paper supplies)** | | | | | | |
| Incorporate minimum recycled content standards into procurement policy for consumable, non-paper supplies (e.g., writing instruments, binders, toner cartridges, etc.) | Ongoing/In Progress | | The Ministry implemented a Sustainable Procurement Policy for Office Products which includes non-paper supplies. | The Ministry will continue to work with staff responsible for procuring non paper-type office products to ensure adherence to the Ministry's policy. | 2011 | No End Date (Continuous) |
| Establish green standards for goods that are replaced infrequently and/or may require capital funds to purchase (e.g., office furniture, carpeting, etc.) | Ongoing/In Progress | | The Ministry's Sustainable Procurement Policy for Office Products encourages staff to investigate the availability and feasibility of purchasing used office furniture prior to making a decision to acquire new furniture. | The Ministry will continue to work with staff responsible for procuring office furniture to ensure they initially investigate the availability and feasibility of acquiring used furniture. | 2011 | No End Date (Continuous) |
| Require a minimum purchase of sustainable, and organic food and beverages supplied by contracted food suppliers or caterers | In Development | | | The Ministry would be interested in participating in a cross-government initiative for this action. | 2012 | No End Date (Continuous) |
| **Indoor air quality** | | | | | | |
| Enforce a scent-free policy (e.g., no strong perfumes, deodorants, etc.) | Ongoing/In Progress | | As situations warrant, individual problematic cases are addressed. | The Ministry will continue to respond to individual problematic situations. | Started before 1995 | No End Date (Continuous) |
| **Commuting to and from home** | | | | | | |
| Introduce telework/work from home policy | Ongoing/In Progress | | Ministry staff are afforded the option of telework/work from home opportunities once approved by their supervisors. | Ministry staff will continue to be afforded the option of telework/work from home opportunities once approved by the their supervisors. | 2009 | No End Date (Continuous) |
| Offer staff a compressed work week | Ongoing/In Progress | | Eligibility to work a compressed work week is determined by collective agreements. | Eligibility to work a compressed work week will continue to be determined by collective agreements. | 2009 | No End Date (Continuous) |
| Encourage commuting by foot, bicycle, carpool or public transit | Ongoing/In Progress | | The Ministry participated in the Bike to Work Week and Target: Green Streets corporate initiatives. | The Ministry will continue to participate in the Bike to Work Week and Target: Green Streets corporate initiatives. | 2008 | No End Date (Continuous) |
| Provide shower or locker facilities for staff/students who commute by foot or by bicycle | Ongoing/In Progress | | A clothes drying area was added to the existing locker facilities at the Ministry's Headquarters office. In addition, the bicycle storage area was expanded at our South Coast Regional office in Burnaby. | The Ministry will continue to pursue the installation of showers and locker facilities in additional offices where demands warrant such and where space and financial resources are available to install these facilities. | 2007 | No End Date (Continuous) |
| Provide secure bicycle storage | Ongoing/In Progress | | Bicycle storage facilities continue to be available at some Ministry offices. | The Ministry will continue to pursue the installation of additional bicycle storage facilities where demands warrant such and where space and financial resources are available. | 2008 | No End Date (Continuous) |
| Modify parking fees or parking availability for staff/students | In Development | | | The Ministry would be interested in participating in a cross-government priority parking initiative for car pool and hybrid/electric vehicles. | 2012 | No End Date (Continuous) |
