Dear Sirs/Mesdames:

**Re: Primary Poultry Processors Association of BC**

I represent the Primary Poultry Processors Association of BC. The enclosed submissions are made in accordance with the direction from FIRB dated February 9, 2016.

Given the shortness of time, the PPPABC cannot provide the detailed evidence which is necessary to fully address the issues. **The PPPABC requests that FIRB hold an oral hearing to fully engage on these important issues, and to provide the parties with a full opportunity to present the information and evidence necessary for FIRB to properly review the issues raised.** If an oral hearing is not ordered, the PPABC requests an opportunity provide further submissions and evidence to more fully address the relevant issues.

Yours truly,

MILLER THOMSON LLP
