

## **CMS Lite Terms of Use (TOU)**

November 1, 2016 – v1.0

By using this product, you agree to the following Terms of Use (TOU). No part of this TOU should be interpreted as superseding legislation or B.C. government policy, which includes, but is not limited to, Government Communications and Public Engagement (GCPE) Communications approvals and Joint Working Group Web Property Application approval process. Users of this product are responsible and accountable for its use including all content published.

1) This product (CMS Lite) is ONLY intended for publishing non-sensitive information onto the B.C. government's website(s). It is NOT to be used to store or publish sensitive data as defined by the B.C. government's Office of the Chief Information Officer and Information Security Policy; 2) Responsibility for complying with Government Policy and Legislation falls entirely on the user; 3) Revocation of accidentally published sensitive content may incur a service fee by GCPE-Strategic Initiatives Division (SID) to the user; 4) This product is for the sole purpose of storing information and assets intended for publishing to the web. It is NOT to be used as a file storage system for items that are not intended to be published to the web; 5) Users of this product may not extend, manipulate or alter the product's default functionality without authorisation by GCPE-SID.
