**Part 2 Executive Compensation Policy B 10.08**

**A. POLICY**

The guiding principles of the compensation program for executive officers of Simon Fraser University are as follows:

1. General Principles

1.1 Compensation levels must achieve a balance between fair value for work and the University's ability to pay.

1.2 Compensation levels reflect a measurement of job worth based on a composite of the skill, effort, responsibility and working conditions required to perform the work.

1.3 Compensation levels must be competitive within the external market from which it recruits. The external market includes local, provincial and national public and private sector employers, including similar positions at other North American universities.

## 2. Relationship to Performance

Other than general salary increases, adjustments to compensation are based on clearly defined individual and organizational goals that are reviewed annually.

## 3. Compliance with Legal Obligations

Compensation policy and practices comply with the statutory obligations of the Employment Standards Act, the Human Rights Act, the Public Sector Employers Act and any other employment related legislation.

## 4. Compensation on Termination

There is no notice or pay in lieu of notice for termination from the University for cause. When an executive officer is required to discontinue his/her appointment for any reason other than cause and returns to his/her former position within the University, no notice or pay in lieu of notice is paid. Termination of employment from the University for reasons other than cause will be compensated consistent with the Public Sector Employers Act, the Employment Termination Standards Regulations and prevailing legal values for executive termination.

The maximum amount of notice upon termination without cause for executive officers (non-inclusive of vacation owed) is eighteen months as prescribed by the Employment Termination Standards regulation (B.C. Reg. 379/97). Factors considered as part of the guideline include age, employability and length of service. In addition, up to one year of out-placement counseling service is paid for by Simon Fraser University. The President and Vice-Chancellor may approve arrangements for the orderly transition of benefit coverage on an individual case-by-case basis. Where there is a Board-approved contract addressing termination arrangements with an executive officer, the contract provisions will apply.

## 5. Conflict of Interest

Consistent with Policy GP37 Conflict of Interest, compensation decisions are made free of conflict of interest.

## 6. Full Disclosure

Simon Fraser University makes regular and full public disclosure of the compensation of each executive officer.

## 7. Business Expenses

Business expenses are governed by the Administrative policy for travel and business expenses (AD 3-2 Travel and Business Expenses).

## DEFINITIONS

5. Consideration of salary anomalies based on either internal and/or external comparisons for an individual Vice-President or Dean may occur at any time, but no more than once in any five-year period.
