Nicola Valley Institute of Technology Executive Compensation Disclosure Statement for 2013/2014 June 3, 2014

The following report provides an accurate representation of all compensation provided to all employees whose base salary was \$125,000 or greater in the fiscal year 2013/2014.

Compensation Philosophy

The Board seeks to ensure that total compensation is competitive with comparable institutions within the public post-secondary sector in British Columbia and other appropriate comparators subject to relevant statutes and public policy.

The Board considers external market data provided by the Post-Secondary Employers Association and other appropriate sources, advice it may receive from independent compensation experts, and direction from the Government with respect to relevant statutes and public policy.

Given NVIT's mandate as BC's Aboriginal public post-secondary institution, the Board also seeks to ensure it is able to attract and retain executives who have the skills and attributes to provide effective leadership consistent with the institution's unique mandate and operating context.

Responsibility for determining executive compensation lies with the Board Chair in consultation with the Board Executive Committee, taking into consideration the factors described above.

Angela Wesley Board Chair
