The Board of Education encourages practices that enable the district to attract and retain qualified, high-performing employees who help deliver quality public education programs to students in School District No. 91 (Nechako Lakes).

Inherent in the Board's compensation philosophy are the following objectives:

- To attract, support and retain qualified, experienced, motivated, and high-potential employees who are committed to the Board's overarching goal of delivering a high-quality public education experience to our students.
- To develop and maintain executive compensation that is rational, defensible, competitive and able to be effectively administered.
