

Application Guidelines

Read and follow these guidelines carefully.

Students are only eligible to receive this \$2,500 Scholarship once in their lifetime. If public service employees have more than one child, each of their children under the age of 25 is eligible. Scholarship applications must be received at Student Services Branch, **as a complete package** on or before April 28, 2017. No exceptions will be made and facsimiles are not acceptable.

Eligibility Requirements

You are eligible to apply if you meet all of the following criteria:

- 1) You must have at least one parent who works full or part-time as a **regular** employee of the BC Public Service, in an organization which is enabled under the *Public Service Act* and has done so for the last three years as of April 28, 2017. Casual or auxiliary employees are not eligible. This Scholarship program does not cover the broader public sector including health authorities (e.g. VIHA), school districts, universities or crown corporations (e.g. CLBC, BC Hydro) or other municipal or federal governments (e.g. police); and,
- 2) You are under the age of 25 as of April 28, 2017; and,
- 3) Your academic average is a B or above for high school (Grades 10–12) and any post-secondary education; and,
- 4) You have been accepted or conditionally accepted for admission as a full-time student at a designated post-secondary institution located in BC in a program leading to a certificate, diploma or undergraduate degree during the 2017/2018 program year (Masters and PhD programs are not eligible). Programs must be eligible for StudentAid BC funding.

Note: If you are planning to attend school outside of British Columbia, you are not eligible for this Scholarship.

Award Process

A selection committee will review eligible applications and select up to 60 recipients to receive Scholarships. You should be notified in writing of the outcome by the end of July. Scholarships will be awarded once Student Services Branch has received a Confirmation of Enrolment form from your institution which will be sent to you after you receive your approval letter. Scholarships must be used prior to March 31, 2018 and cannot be deferred.

Application Requirements

- 1) Write an essay of 750 words (or less) about your parent's BC Public Service employer, specifically the ministry or organization s/he works for, and how it contributes to or supports the lives of the citizens of British Columbia. You may consider discussing instances from your parent's work that show specific examples. You may also consider writing about the contributions of an organization other than the one where your parent works. If so, choose any ministry of interest.

Please note that crown corporations and the broader public service (schools, hospitals, police departments, etc.) are not eligible employers for this program and are not eligible as topics for your essay.

- 2) Submit official sealed transcripts from your high school (Grades 10–12) and post-secondary studies to-date in BC and elsewhere, along with your application. A copy of your high school transcripts can be obtained either from your high school or by contacting the Ministry of Education. Official post-secondary transcripts should be available through the registrar's office of your institution. If you are currently in Grade 12 you may provide unofficial transcripts.
- 3) Provide summaries of five (5) different activities which will clearly demonstrate your communication skills (a minimum of one paragraph of approximately 100 words each). Examples could include school projects or presentations. Additionally, involvement in sports such as coaching, or volunteering or community involvement may also be relevant. It will be helpful to choose references who will be able to confirm your participation in those activities.
- 4) Provide two reference letters. Ask each reference to complete a Letter of Reference form. When choosing your references, approach someone who can comment on your character and the breadth of your experience. The reference **must** have known you personally for **at least one year** (or one school year). References must indicate in their letter how long they have known you and in what capacity, and must be from two different organizations (e.g. one from your high school teacher and one from a coach, or employer). Direct family members cannot be used as references. Reference letters must be confidential. Ask your reference to return the reference letter and completed form to you in a **sealed envelope, signed across the seal**.
