

12 Weeks to Wellness

Ready to take your health and well-being to the next level? Our 12 Weeks to Wellness program may be what you are looking for. It is a self-directed program that offers a comprehensive approach to behaviour change. You will have access to life coaching, nutritional counselling, and health risk assessment over a 12-week period.

Be fit, healthy and feel great!

- ▶ Not sure where to begin? If you need to make changes in order to feel better, you can start with a health risk assessment to identify any health issues, and from there our experts work with you to develop a personalized plan.
- ▶ Can't stick with 'get-fit' resolutions? This program includes a workbook, 21-day planner, and a stress assessment, all geared to develop new habits you can stick with.
- ▶ Want to focus on specific areas of need? Our experts help you take a holistic approach to address your needs and improve your overall health and well being.
- ▶ Need to support other lifestyle changes? Maybe you've just quit smoking or drinking, or made some other major change. Committing to a 12 week comprehensive program can be the boost you need to succeed.
