

We welcome your comments on the study. Please answer the questions on this form and submit it by December 23, 2016. Options for submitting the form are found at the end of the last page. *Please note this form is designed for use with Adobe Acrobat or Acrobat Reader. Other PDF readers or preview applications might not work.*

Alternate Route Options

Alternate route options are featured on page 10 and 11 of the Consultation Companion.

The alternate route options have been reviewed with the Technical Advisory Group and the Community Liaison Committee and these groups have provided us with some key considerations for each route.

1. What important considerations do you see for each alternate route option?

a) Option One

b) Option Two

c) Option Three

Comment Form

d) Option Four

e) Option Five

Existing Route Options

Existing route options are featured on pages 12 to 28 of the Consultation Companion.

The existing route options have been reviewed with the Technical Advisory Group and the Community Liaison Committee and these groups have provided us with some key considerations for each segment of the existing route.

2. What important considerations do you see for each segment of the existing route?

a) Drought Hill (Seclusion Bay Road)

b) Trepanier Bench Road to Huston Road

c) Ponderosa Drive to Todd Road

d) Princeton Avenue / Beach Avenue

e) South of Princeton Avenue

Comment Form
