2. Please give a brief description of new initiatives implemented by school districts for French second language programs.

We offered release time for new French Immersion teachers to have a Learning Partner (mentorship program) throughout the year. The program included release time to meet as partners as well as meet to work through curricular work.

We offered release time to French teachers to register for and participate in PRIME (math) training. In 2011-2012, a new strand will be offered with workshops with Dr. Marion Small.

We have expanded the library resources for our single-track French Immersion program.

We offered a French *Ready, Set, Learn* program at one of our dual-track French Immersion schools (Ecole Heather Park Elementary).

We began a new learning team program for the development of French initiatives in School District No. 57. Proposals submitted to Curriculum and Instruction must have a focus on student learning. We will be working with teachers and administrators on projects such as learning teams, resource development (books, audio, video), resource sharing, and workshops offered by teachers for teachers. Groups will also be given time to work on the development of a scope and sequence as well as essential learning outcomes and

corresponding resources to support teachers of French who are less comfortable with the curriculum.

SCHOOL YEAR 2011/2012

3. Please give a brief description of planned expenditures by school districts for carried over federal funds for school year 2011/2012.

We will continue the work from 2011 – 2012. We will continue to expand projects based on a needs assessment within the District. The most exciting project to come from 2010-2011 school year was the development of French learning teams. The continuation of this project, in conjunction with the development of a scope and sequence and essential learning outcomes and accompanying resources, with undoubtedly aid student learning as we support the teachers in the classroom.

We will also support French culture as we welcome a French theatre group to work with students and teachers in our single-track French school, Ecole Lac des Bois.
