

2016/17 Offshore Schools Provincial Examination Schedule

Important Note:

Before an offshore school can participate in a provincial examination session they must successfully complete the following, within published deadlines included in the corresponding year's *Offshore Schools Transcript and Exams Requirements* document posted at: www.bced.gov.bc.ca/offshore_schools/

- Obtain Personal Education Numbers (PENs) for all students who plan to write Provincial exams;
- Upload a Transcript and Examinations (TRAX) data submission. This will add the students to the Ministry's TRAX system, identify which courses they are taking, and register them for the applicable electronic exam sessions; and
- Install e-Exam Security Control on each computer to be used for the provincial e-Exams

Contact: Offshore Administrator e-mail: offshore.administrator@gov.bc.ca.

IMPORTANT NOTES

1. Exam start and end times must be adhered to by all schools. However, if necessary, schools may begin an exam up to one hour before the scheduled start time to accommodate local schedule conflicts (e.g., bus schedules). **Students must remain in the supervised exam room for a minimum of one hour after the original scheduled start time** (e.g., begin exam at 12 noon but ensure students do not leave until after 2:00 p.m.).
2. There may be instances when a student needs to write exams that are scheduled in the same time slot. When this happens, allow the student to write the first exam, receive a suitable supervised break and then write the second exam.
3. All offshore school exams offered will be available electronically only.
4. All August exams are offered through a student's school. Students should check with their school prior to the end of the school year to determine exam registration procedures for their school.
5. The Ministry of Education aims to ensure this exam schedule does not change. Occasionally circumstances require changes to the exam schedule after it is initially published. Should changes to the exam schedule be required, the Ministry of Education will communicate these changes and an updated schedule will be sent.
