Orders of the Inspector of Independent Schools	

Report requirements for certificate

1 When an authority which is incorporated under the *Society Act* or the *Business Corporations Act* makes an application for issuance or renewal of a certificate of group classification pursuant to section 4 of the *Independent School Act*, the authority must be in compliance with the provisions of the *Society Act* or the *Business Corporations Act* relating to annual reports and financial statements.

[am. I 2/04]

Records submission

2 *REPEALED, by I01/07, effective October 10, 2007*

Data submission

3 An authority must collect and submit to the Inspector, in the manner and form and at the times required by the Inspector of Independent Schools, information respecting:

- (a) the authority;
- (b) each independent school operated by the authority;
- (c) enrollment, registration and achievement of
 - (i) students enrolled in an educational program provided by the authority, and
 - (ii) children registered with an independent school or distributed learning school operated by the authority; and
- (d) per student costs for each independent school operated by the authority.
