A course must be completed or withdrawn from before a student can enrol in the same course again.</i> <i>For Grade 10-12 students (including adults) to be eligible for new funding in the same DL course(s) in the same DL school, the following conditions must be met:</i></p> <ul style="list-style-type: none"> • <i>The student must have been previously reported as failed (through course completion), or as course completed and wanting to improve their mark, or withdrawn from that course.</i> • <i>withdrawn from a course or did not complete a course, there must be a record of student inactivity for two DL enrolment counts, with a corresponding record of attempts made by the DL school to contact the student for that course.</i> • <i>All required areas of study in a course (contained in the corresponding Integrated Resource Package) must be provided to the student in all re-claimed course instances.</i> • <i>Assessment of the student's past work must not be used to evaluate re-claimed course progress.</i> (Ref. DL Funding Policy) 			<p>Audit Steps - Grades 10–12</p> <ol style="list-style-type: none"> 1. Determine if any of the sampled students re-enrolled in the same course(s) in consecutive funding periods. (see Re-Claimed Courses criteria) 2. Determine that FTEs reported on ECHO9100 represent only new course claims. Schools cannot report for new funding in the same course unless following are met: <ul style="list-style-type: none"> • Eligible course re-claim a) previous course claimed was completed and either failed or improved mark required, and b) assessment of past work cannot be used to evaluate re-claimed course. • Withdrawn or incomplete re-claims are ineligible unless there is a) a record of student inactivity for two DL reporting periods; b) corresponding records of attempts to re-engage student in the course; and, c) assessment of past work cannot be used to evaluate re-claimed course. • For all eligible re-claims, all areas of study consistent with IRP requirements for course must be provided to student. 3. Criteria	We are looking for:	What the analysis will allow us to say:	Audit Program	Auditors' Initials
Program and Course Claim Eligibility (Number of Eligible Courses Reported)				
'COURSE' Clarifications:				
<p>Course Definition: A course is defined by the Student Credentials Ministerial Order M164/96...consider a four credit course (approximately 120 hours) as one course and a two credit course (approximately 60 hours) as a half course (Ref: Form 1701 Instructions, P.12), P.59 of the Handbook of Procedures for the Graduation Program and the Recognition of Post-Secondary Transition Programs for Funding Purposes Policy.</p>				
<p>Not fundable through Form 1701: (Ref: Form 1701 Instructions, P.12) credit awarded through a prior learning assessment, credit recognition, tutorial time and teacher consultation, and courses completed via challenge and external credential courses. NOTE: Partial credit courses are Ministry approved and must have assigned Ministry course code (verify through online Course Registry).</p>				
<p>Courses that have an open-ended timeline encompass only one organized set of learning outcomes. While the completion of the course's learning outcomes may be over a number of registration periods, only one course is undertaken and therefore eligible for only one funding claim. (Ref. Form 1701 Instructions, P.12) NOTE: There is to be evidence of a qualified teacher's instructional component to meet the requirements of Section 17 of the School Act and BC Reg 265/89, Section 4 (Duties of a Teacher)</p>				
<p>Advanced Placement – Schools may claim an AP course as a separate course...only if it meets the definition of a course, is a separate and distinct instructional session of approximately 120 hours (for a four credit course) on the student's timetable, the course is being taught by a certified teacher and is in accordance with the Student Credentials Ministerial Order M164/96. (Ref: Form 1701 Instructions P.13)</p>				
<p>Support Blocks: (Ref: Form 1701 Instructions, P.14) Support block are not to be reported for school-aged graduates, adult students or by Continuing Education (CE) or Distributed Learning (DL) schools.</p>				
<p>Planning 10: Planning 10 is a four-credit Grade 10 course designed for delivery within the school timetable at Grade 10. Planning 10 is ineligible for partial credit. (Ref. Planning 10 FAQ http://www.bced.gov.bc.ca/irp/pdfs/health_career_education/support_materials/planning10_ga.pdf). NOTE: Planning 12 is a course that will allow non-graduated adult students to take Planning 10 as a Grade 12 elective for the Adult Dogwood Program (if Planning 10 was not completed in secondary school). Adults in the Adult Dogwood program receive Grade 12 credit recognition based on the previous completion of Planning 10 – not a duplicate funding claim.</p>				
<p>Graduation Transitions is only to be reported once for a student taking a graduation program leading to a BC Certificate of Graduation – Dogwood during their K-12 education and are to be reported when the student is enrolled in grade 12. (Ref: Form 1701 Instructions, P.12)</p>				
<p>Independent Directed Studies (IDS): allows schools to recognize prior learning in a Ministry-developed or board authorized course that a student may not have completed...the process is intended to encourage schools (including DL) to allow students to pursue further studies, or to recognize prior learning, in a Ministry-developed or board authorized elective course that a student may not have completed. <i>IDS credits may only be used to satisfy elective requirements. IDS credits may be awarded by schools to students who have successfully completed independent work based on a subset of outcomes of Grade 10, 11 and 12 Ministry courses or board authorized courses... The number of credits a student earns for an IDS will be set out in the plan developed by that student and a teacher, and approved by a principal.</i> (Ref: Earning Credit through Equivalency, Challenge, External Credentials, Post-Secondary Credit and Independent Directed Studies Policy).</p>				
<p>NOTE: IDS claims are ineligible for those students undertaking the Adult Graduation Program (Ref. Handbook of Procedures for the Graduation Program P.59). To meet DL active for eligible students, ensure substantive student course work is based on the learning outcomes of the designed course – NOT the process undertaken by student and teacher to create the Independent Directed Study course.</p>
