- (b) the number of minors attending the event, per day:
- (c) the occupant load of the event:   Check here if an occupant load is not available
- (d) the occupant load of the service area:   Check here if an occupant load is not available

4. Please describe how you will contain the liquor service area by describing the barriers (fencing height, specific rooms, etc.) you will use and describing how you will control the entrance(s) and exit(s).

**Part 3: Event Staffing**

1. Managers: How many people will be managing your liquor service (if the numbers vary, indicate how many at which times)?

2. Bartenders: How many people will be bartending at your liquor service (if the numbers vary, indicate how many at which times)?

3. Servers: How many people will be serving liquor in your liquor service area (if the numbers vary, indicate how many at which times)?

#### Part 4: Event Security

Many large events require security personnel to prevent the entrance of unruly or disruptive persons and/or removing persons who become unruly, disruptive, or who present a safety risk to others. Staff or contractors providing door security in licensed establishments are required to be licensed under the *Security Services Act*.

If you will be having security personnel at your event, please answer these questions:

1. How many paid security personnel will be attending at the liquor service portion of your event (if the numbers vary, indicate how many at which times)?

2. How many of the security personnel are hired through a security company?

Name of security company:

Mailing address:

Street

City

Province

Postal Code

Company contact person:

Phone number:

Fax:

E-mail:

3. How many police officers will be attending at the liquor service portion of your event (if the numbers vary, indicate how many at which times)?

#### Part 5: Safe and Responsible Service

1. What will you do to prevent minors from being served or consuming liquor?

- Not applicable - no minors are attending the event  
 Access to the liquor service area is well controlled - describe:

- Mandatory requirement of 2 pieces of ID  
 Signs advising that minors cannot enter the liquor service area and 2 pieces of ID required  
 Other - describe:

2. What will you do to prevent over-consumption and intoxication?

- Signs advising that intoxicated persons will be removed  
 Sign advising two-drink maximum in effect  
 Other - describe:

3. What will you do to prevent unreasonable disturbances to neighbours?

- I have read Appendix 2: Taking Reasonable Measures to Prevent Disturbances in the term and condition guide  
 Other - describe:

4. Please describe any additional safety and security measures:

5.  I declare the information provided is accurate and the safety and security actions will be taken with respect to the event.
