### Learn About:

The BC Rural Dividend is a program aimed at assisting rural communities with a population of 25,000 or less. The programs will be providing \$25 million a year for the next three years towards the purpose of reinvigorating and diversifying the economies of rural communities across British Columbia.

In this webinar, hear about the details of the BC Rural Dividend, and explore some of the frequently asked questions received by program staff. The session will include an overview of applicant and project eligibility, program funding streams, and selection criteria. Participants will also have the chance to ask questions and participate in the discussion.
