

File: 8808

September 6, 2016

Dear Stakeholder,

RE: NOTICE OF AMMENDMENT OF PERMIT 8808

Please take notice that the Director has amended waste discharge permit 8808 issued under the provisions of the Environmental Management Act, [S.B.C. 2003],c.53 in the name of Atlantic Power Preferred Equity Ltd.. The facility is located at 4455 Mackenzie Avenue North, Williams Lake, BC, V2G 4R7.

The authorization includes the incineration of up to 50% by wet weight of rail tie material and clean, non-hazardous construction and demolition debris.

Copies of these documents are available on the Ministry of Environment website www2.gov.bc.ca/gov/content/environment/air-land-water/site-permitting-compliance/atlantic-power or may be viewed at the Williams Lake Public Library.

This decision may be appealed to the Environmental Appeal Board in accordance with Part 8 of the *Environmental Management Act*. An appeal must be delivered within 30 days from the date that notice of this decision is given.

For further information, please contact the Environmental Appeal Board at 250-387-3464.

Best regards,

A handwritten signature in black ink, appearing to read "Brady Nelles".
