Attention: Ken Huxley,

On May 12, 2016, a Pollution Abatement Order (Order), was made under section 83 of the *Environmental Management Act*, issued to Darlene R Huxley pertaining to the abatement of agricultural waste into the environment.

Ministry staff inspected your facility on July 13 and September 26, 2016 to verify that the requirements in the Order have been met. A copy of the draft inspection report was provided to you on September 27 for review and comment. You provided comments to Devan Oldfield, Environmental Protection Officer on Thursday, September 29 and the final Inspection Report (attached) was provided to you today.

At this time, I am instructing Ken and Darlene Huxley that the Order is no longer in effect and confirming that there are no further obligations under the Order.

Please contact the undersigned if you have any questions.

Yours truly,

Christa Zacharias-Homer  
Deputy Director
