List the top three actions taken by your organization in 2013 to reduce GHG emissions and/or improve sustainability

Action
1. FII continues to replace existing laptops, computers and other office equipment through attrition with Energy Star rated equipment with power saving options.
2. FII will continue to research alternative supplier sources for recycled paper as available in our subsidiary offices in China and India where applicable.
3. FII is working with its subsidiaries in China & India on reducing their carbon usage through awareness and researching potential new power saving initiatives as developed in those markets.

Describe Plans your organization has for continuing to minimize your GHG emissions

Going forward FII will continue to contribute to BC's carbon reduction targets through additional initiatives and strategies as appropriate.
