To enable comparisons with all B.C. public sector organizations, please provide the following data for your organization:

- 1. How many Full Time Equivalent (FTE) employees do you have within your organization?**
__166__

List the top three actions taken by your organization in 2014 to reduce GHG emissions and/or improve sustainability:

Action
1. A warmer than normal fall and winter enabled us to keep boilers on low-fire for an extended period of time.
2. Continued to replace light ballasts with energy-efficient ones and removed some ballasts from multi-light fixtures.
3. Annual electrical use was reduced further in 2014.

Describe Plans your organization has for continuing to minimize your GHG emissions
