SMARTTool

Review of Loading & Year-End Processes

Points of Interest

- Where we are going:
<https://training.wherereggreenideaswork.gov.bc.ca/>
- BCeID: <https://www.bceid.ca/>
- Where to get our attention:
Carbon.NeutralApps@gov.bc.ca

What will we cover?

- Overview of SMARTTool Reports
- Overview of SMARTTool Exports
- Overview of SMARTLoad

Using SMARTLoad

- Load Templates/Converters
- Validation – Success and Errors
- Submission – Success and Feedback
- Add, Replace, Delete
- Using the Load History

Some Questions For You

- When you look at the Exports, can you see all of them?
- Can you see the SMARTLoad link?
- If not you need to ask us to give you access.

Please Give Feedback

- What do you use?
- What don't you use?
- What is hard to use?
- What would you like to see?
