

**Short Term Mountain Pine Beetle Agreement**  
(the "Agreement")

**Between:**

***Bonaparte Indian Band***

As represented by  
Chief and Council  
Bonaparte Indian Band

**and**

**Her Majesty the Queen in Right of the Province of British Columbia**  
as represented by the Minister of Forests and Range  
(the "Government of British Columbia")

(collectively the "Parties")

**Whereas:**

- The Bonaparte Indian Band signed a Forest and Range Agreement (FRA) with the Government of British Columbia on April 26, 2004. This Agreement is a short-term additional forestry economic opportunity as referenced on Page 2 in the Preamble of the April 2004 FRA, and does not supersede the April 2004 FRA.
- The Bonaparte Indian Band of the *Secwepemc* Nation has aboriginal rights and/or title within its asserted traditional territory (see attached map Appendix 1).
- The Bonaparte Indian Band asserts that it has a relationship to the land that is important to *Secwepemc* culture and the maintenance of its community, governance and economy.
- This Agreement and any decisions and/or licenses issued during the term of this Agreement do not change or affect the positions either Party has, or may have, regarding jurisdiction and authorities.
- Mountain pine beetle uplifts in the Kamloops Timber Supply Area will lead to increased harvesting activity and potential infringements on Bonaparte Indian Band aboriginal rights and/or title.
- The Parties wish to enter into an interim measures agreement in relation to mountain pine beetle uplifts and harvesting.
- The Government of British Columbia wishes to support additional economic opportunities for the Bonaparte Indian Band.

## **Purpose**

1. The purposes of this Agreement are to:
  - a. increase the participation of the Bonaparte Indian Band in the forest sector;
  - b. provide an economic opportunity by inviting the Bonaparte Indian Band to apply for a non-replaceable forest licence to assist the province in the management of mountain pine beetle in the Kamloops Timber Supply Area and potentially the 100 Mile House Timber Supply Area, in a manner linked to the 2004 FRA and as set out in this Agreement.

## **Therefore the Parties agree as follows.**

2. After execution of this Agreement by the Parties, the Minister of Forests and Range (the "Minister") will invite the Bonaparte Indian Band to apply for a non-replaceable forest licence (the "Kamloops uplift licence opportunity") under section 47.3 of the *Forest Act* to harvest a total of up to 100,000 cubic meters over a three year term in the Kamloops Timber Supply Area and within the asserted traditional territory of the Bonaparte Indian Band.
3. If during the term of this Agreement a Mountain Pine Beetle a temporary volume uplift becomes available in the 100 Mile Timber Supply Area, the parties agree to explore further tenure opportunities in this Timber Supply Area, in accordance with Section 47.3 of the *Forest Act*.
4. Any invitation will be subject to a condition that prior to making an application for the Licence, the Bonaparte Indian Band will contact the Ministry of Forests and Range and the Parties will work co-operatively to identify an operating area within the asserted traditional territory of the Bonaparte Indian Band.
5. Any licence(s) entered into as a result of the invitation to apply under this Agreement:
  - a. will be for a term of no longer than 3 years as determined by the Minister,
  - b. will contain other terms and conditions required by law, including the condition that the Bonaparte Indian Band must comply with this Agreement and with the *Bonaparte Indian Band FRA* (April 2004);
  - c. will include a term that Bonaparte Indian Band may not dispose of the Licence except in accordance with the *Forest Act*; and
  - d. will include other terms and conditions as may be required by the Regional Manager.
6. An invitation to apply for a licence(s) and any licence(s) entered into as a result of the invitation to apply under this Agreement may be combined with a tenure opportunity included in any other agreement in accordance with the *Forest Act*.

## **Consultation**

7. The Government of British Columbia intends to consult with the Bonaparte Indian Band regarding forestry operational plans and administrative decisions pertaining to increases and/or potential increases in harvest levels to address the mountain pine beetle epidemic in the Kamloops and 100 Mile House TSA, as set out in this agreement and sections 4 and 5 of the *Bonaparte Indian Band FRA* (April 2004).
8. The Bonaparte Indian Band agrees to participate in any consultation initiated by the Government of British Columbia regarding forestry operational plans and administrative decisions pertaining to increases and/or potential increases in harvest levels to address the mountain pine beetle epidemic in the Kamloops and 100 Mile House TSA, as set out in this agreement and sections 4 and 5 of the *Bonaparte Indian Band FRA* (April 2004).
9. During the term of this Agreement, and subject to the terms and intent of this Agreement being met and adhered to by British Columbia, the Bonaparte Indian Band agrees that British Columbia will have provided an accommodation, with respect to the economic component of potential infringements of the Bonaparte Indian Band's aboriginal title and/or rights resulting from operational plans and administrative decisions pertaining to increases and/or potential increases in harvest levels to address the mountain pine beetle epidemic in the Kamloops and 100 Mile House TSA, as an interim measure.
10. The Bonaparte Indian Band is entitled to full consultation, and accommodation where required, with respect to all potential infringements of their aboriginal rights and/or title arising from operational plans or administrative decisions affecting Bonaparte's rights and/or title, regardless of the economic opportunity afforded to the Band under this Agreement.

## **Dispute resolution**

11. If a dispute arises between the Government of British Columbia and the Bonaparte Indian Band regarding the interpretation of a provision of this Agreement, the Parties or their duly appointed representatives will meet as soon as is practicable to attempt to resolve the dispute.
12. If the Parties are unable to resolve differences at the appropriate level, the interpretation issue will be raised to more senior levels of the Government of British Columbia and Bonaparte Indian Band.
13. The Parties may choose other appropriate approaches to assist in reaching resolution of the interpretation issue.

### **Subsequent Agreement**

14. Any subsequent agreement between the Government of British Columbia and the Bonaparte Indian Band may provide for an opportunity to acquire a renewable Forest Tenure, and/or other economic benefits.
15. This Agreement is intended to be a short-term economic agreement, and thus does not preclude the Bonaparte Indian Band from accessing other forestry economic opportunities and benefits, which may be available from time to time.

### **Amendments**

16. Any alteration or amendment to the terms and conditions of the Agreement must be in writing and duly executed by the Parties.
17. Either Party may request the participation of the other Party to review the effectiveness of this Agreement annually and consider amendments to this Agreement.

### **Term**

18. This Agreement will take effect on the date on which the last Party has executed it.
19. This Agreement will terminate on the occurrence of the earliest of any of the following events:
  - a. Three years from the date this Agreement is executed; or,
  - b. the mutual agreement of the Parties.
20. If the *Bonaparte Indian Band FRA* (April 2004) is terminated, the consultation processes that were set out in sections 4 and 5 of that agreement are incorporated by reference into this Agreement and will continue to be followed by the Parties for the term and purposes of this Agreement.
21. The Government of British Columbia shall not terminate this Agreement on the grounds that the Bonaparte Indian Band has challenged an Administrative or Operational Decision by way of legal proceedings.
22. Notwithstanding section 21, the Government of British Columbia may terminate the Agreement when there is a challenge on the basis that the economic benefits are not adequate or sufficient interim accommodation as set out in this Agreement.
23. Prior to termination under section 22, the Parties agree to meet and endeavour to resolve the dispute.

### **Notice**

24. Any notice or other communication that is required to be given or that a Party wishes to give to the other Party with respect to this Agreement will be in writing and will be

effective if delivered, sent by registered mail, or transmitted by facsimile to the address of the other as in this section of the Agreement.
