- 7.2 Boston Bar First Nation agrees that British Columbia may apply any payment that Boston Bar First Nation is entitled to receive under this Agreement, to a maximum of the amounts that British Columbia would have obtained in a silviculture deposit, in order to fully or partially satisfy any unfulfilled financial obligations of Boston Bar First Nation to British Columbia arising from a licence(s) entered into as a result of the invitation to apply under a Forest Tenure Opportunity Agreement entered into between Boston Bar First Nation (or a legal entity controlled by the Boston Bar First Nation) and British Columbia.

## **APPENDIX B**

### **Consultation**

#### **On Operational and Administrative Decisions and Operational Plans.**

In order to facilitate consultation with respect to Operational and Administrative Decisions and Operational Plans, the Parties have agreed to use the Matrix framework set out in section 1.10 of this Appendix ("section 1.10"), which allows the Parties to determine which Operational and Administrative Decisions and Operational Plans will require consultation, as well as the associated appropriate level of consultation for those decisions and plans.

- 1.1 British Columbia agrees to consult with Boston Bar First Nation in accordance with the applicable consultation level agreed to by the Parties under section 1.10 on Operational Plans, Operational Decisions, and Administrative Decisions that may potentially adversely impact Boston Bar First Nation's Aboriginal Interests within the Traditional Territory.
- 1.2 Boston Bar First Nation agrees to participate with British Columbia and/or Licensees or licence proponents, as set out in this Agreement and in accordance with the applicable level of consultation to which the Parties have agreed under section 1.10, in information sharing and/or consultation regarding proposed Operational Decisions, Administrative Decisions, and Operational Plans dealing with forest and range development within the Traditional Territory.
- 1.3 In this Appendix, "First Annual List" means a list of Operational and Administrative Decisions and Operational Plans, which may require consultation during the First Fiscal Year of the Term or part thereof in which the Effective Date occurs, that is provided to the Boston Bar First Nation by British Columbia in advance of the Parties entering into this Agreement.
- 1.4 Prior to entering into this Agreement, the Parties will agree on the applicable consultation levels for the decisions on the First Annual List, using the consultation levels described in section 1.10.
- 1.5 In this Appendix, "Annual List" means an annual list of Operational and Administrative Decisions and Operational Plans that may require consultation in a fiscal year of the Agreement in which those decisions are anticipated to be made, and that will be provided to the Boston Bar First Nation by British Columbia before March 31<sup>st</sup> of each year after the First Fiscal Year of the Term.
- 1.6 For fiscal years subsequent to the First Fiscal Year of the Term, the Parties will meet annually on or before March 31<sup>st</sup> to discuss the Annual List and, in the case of decisions and plans for which the Parties have not already agreed to a consultation level described in section 1.10 in a preceding fiscal year, the Parties will agree on the consultation levels that will be applicable to those Operational and Administrative Decisions and Operational Plans on the Annual List, in accordance with section 1.10.
- 1.7 When British Columbia becomes aware of proposed types of Operational or Administrative Decisions or Operational Plans not contained in the Annual List

that will have effect within the Traditional Territory of Boston Bar First Nation during the current fiscal year, British Columbia will notify the Boston Bar First Nation of those new types of decisions or plans and the Parties will seek to agree on the consultation levels that will be applicable to those Operational and Administrative Decisions and Operational Plans, in accordance with section 1.10.

- 1.8 In reviewing and responding to an Operational Decision, Administrative Decision, or Operational Plan submitted to them, Boston Bar First Nation will, unless otherwise agreed by the Parties, provide the party (i.e. British Columbia, a licensee or proponent) that supplied the proposed decision or plan to them, with all reasonably available information that will identify any potential impacts to their Aboriginal Interests that may occur as a result of proposed forest and/or range resource development activities pursuant to that Operational Decision, Administrative Decision or Operational Plan within the Traditional Territory. As part of its response, the Boston Bar First Nation may propose measures that could avoid or mitigate potential impacts to their Aboriginal Interests as a result of the proposed development activities. Upon receiving a response from the Boston Bar First Nation, British Columbia will discuss and attempt to resolve with the Boston Bar First Nation any site specific operational impacts on the Boston Bar First Nation's Aboriginal Interests that may occur as a result of proposed forest and/or range resource development activities within the Boston Bar First Nation Traditional Territory. If the Parties are unable to resolve operational impacts, British Columbia will still consider Boston Bar First Nation's proposed measures.
- 1.9 If no response is received from Boston Bar First Nation within the timeframe set out in section 1.10, then British Columbia may conclude that Boston Bar First Nation does not intend to respond or participate in the consultation process in respect of the Operational or Administrative Decision or Operational Plan and that a decision may proceed.
- 1.10 The Parties agree to the following description and intent of the consultation levels:
