Applicant Name

Doing Business As (if applicable)

Telephone (###) ###-####

Cell (###) ###-####

Fax (###) ###-####

Legal Address (as registered with the B.C. Registrar of Companies)

Email Address (company generic)

**Example:**

1234 Main Street,  
City, Province, A1A 1A1

### 3. MAILING ADDRESS AND CONTACT INFORMATION FOR PEST MANAGEMENT PLAN

Same as Legal name and address listed in Section 2

Mailing Address

**Example:**

1234 Main Street,  
City, Province, A1A 1A1

Contact First and Last Name

Email Address

Telephone (###) ###-####

Cell (###) ###-####

Fax (###) ###-####

Please check this box to add your email address to the IPM e-link list.

### 4. DESCRIPTION OF THE GEOGRAPHICAL AREA COVERED BY THE PEST MANAGEMENT PLAN

Please describe the geographic boundaries of the area to which the Plan applies and include the names of the communities that are within the boundaries.

Please provide maps or diagrams showing proposed treatments areas within the area to which the Plan applies.

Map provided electronically       Paper copy of the map attached

### 5. NOTICE OF AERIAL APPLICATION

Is aerial application of pesticides intended under this Pest Management Plan?

Yes     No

**If yes,** please list the name of the active ingredient(s) being applied aerially. *Please note that only active ingredients listed under Schedule 4 of the Integrated Pest Management Regulation may be applied aerially.*

## 6. TYPE OF PESTICIDE USE

Please check the category below that corresponds with your intended pesticide use. Note: the category must be for a purpose and area as prescribed under the Integrated Pest Management Regulation Section 24 (2). Please refer to "Definitions and Interpretations" appended to this application form.

- a)  Railway
- b)  Industrial Vegetation on Highways  
 Industrial Vegetation on Pipelines  
 Industrial Vegetation on Public Utilities
- c)  Mosquito (bacterial pesticide use in public body of water)
- d)  Wood Pole Preservation
- e)  Forestry
- f)  Industrial Vegetation on sites other than described in (a) or (b)\*
- g)  Noxious Weeds and Invasive Plants
- h)  Mosquitoes (non-bacterial pesticide use)

\*Specify the industrial site(s) other than described in 6 (a) or (b)

## 7. LOCATION(S) FOR PUBLIC ACCESS TO PEST MANAGEMENT PLAN

Suite No.	Street Name and Number	City	Province	Postal Code	Add	Delete

If available online, please provide the website address(es) where the Pest Management Plan can be viewed.

## 8. PESTICIDE ACTIVE INGREDIENTS

List the active ingredients of the pesticides to be used for treatments under the Pest Management Plan.

## 9. CONSULTATION SUMMARY

Was public consultation conducted in accordance with Section 61 of the Integrated Pest Management Regulation?

Yes  No

Is any action to be taken in response to comments received during public consultation?

Yes  No

If YES, please describe actions to be taken:

Summary provided electronically  Paper copy of the summary attached

Was First Nations consultation conducted in accordance with the Ministry's Guidelines for First Nations Consultation?\*

Yes  No

If YES,

Is there an agreement in place provide an annual notice of intent to treat to First Nations?

Yes  No

First Nations Consultation Summary provided electronically  Paper copy of First Nations Consultation Summary attached

If NO, explain why consultation was not conducted in accordance with the Ministry's Guidelines for First Nations Consultation.

FAX the completed form to (250) 356-0299.

***Do not send credit card information by e-mail - it is not a secure method of payment!  
Send your payment by mail, courier or fax.***

## Definitions and Interpretations

The following interpretations are provided for guidance purposes only and are not complete. For complete definitions see the Integrated Pest Management Regulation.

**Pesticide uses that Require a Confirmation** (refer to, Integrated Pest Management Regulation 24 (2))

Note: total land areas or numbers of poles refers to totals managed by a single entity (owner or manager).

- (a) Management of vegetation or preservation of wood on more than 20 ha a year of public or private land that is used as a railway right of way, yard or associated signal or communication facility.
- (b) Management of vegetation on more than 20 ha a year of public or private land that is used as;
  - a highway, as defined in the *Transportation Act*,
  - a facility or right-of-way for a public utility as defined in the *Utilities Commission Act*,
  - a facility or right of way for the delivery of water, not including pipes used to distribute water to consumers in a community, or
  - a pipeline, as defined in the *Petroleum and Natural Gas Act*, and associated facilities.
- (c) Management of mosquitoes, using bacterial pesticide, on more than 1 ha a year of public land that is a body of water.
- (d) Preservation of more than 1000 wooden poles in a year on public or private land that is used as a highway, or a facility or right of way for a public utility as defined in the *Utilities Commission Act*.
- (e) Management of forest pests on more than 20 ha a year of public land that is used for timber production or forested.
- (f) Management of vegetation on more than 20 ha a year of public land that is used as an industrial site other than an industrial site described in paragraph (a) or (b).
- (g) Management of noxious weeds or invasive plants on more than 50 ha a year of public land.
- (h) Management of mosquitoes on public land, other than with a bacterial pesticide applied to a body of water (not including aerial application to land in an urban area or used for residential purposes).

**"industrial site"** means an area of land on which is located industrial infrastructure and ancillary works, including, without limiting this,

- (a) facilities for manufacturing or processing,
- (b) mines, well sites, equipment yards and other facilities for or ancillary to energy production or resource extraction,
- (c) highways, transmission lines, pipelines, railways, associated rights of way and other facilities for storing or distributing products, energy or resources,
- (d) incinerators, landfills, sewage treatment plants and other facilities for the disposal or treatment of waste,
- (e) dams, dikes and reservoirs, and
- (f) facilities operated as public airports, but does not include landscaped land;

**"landscape"** means an area of land that has been improved by planting with ornamental plants or is maintained for ornamental purposes;

**"public land"** means

- (a) Crown land that is not private land,
- (b) bodies of water, and
- (c) land that is owned or leased for its own purposes by
  - (i) a local authority described in paragraph (a), (b), (c), (d) or (e) of the definition of that term in the Schedule to the *Community Charter*,
  - (ii) a university, or an institution, as defined in section I of the *College and Institution Act*,
  - (iii) a board, or a Francophone education authority, as defined in section 1 (1) of the *School Act*,
  - (iv) a regional hospital board, or a regional hospital district, as defined in section 1 of the *Hospital District Act*, and
  - (v) a government corporation as defined in section 1 of the *Financial Administration Act*
