## Highlights

The Quarterly Environmental Enforcement Summary for the 2<sup>nd</sup> Quarter of 2016 includes environmental enforcement actions from April 1<sup>st</sup> – June 30<sup>th</sup> 2016: 16 Orders, 73 Administrative Sanctions, 550 Tickets, 4 Administrative Penalties, and 23 Court Convictions. Penalties for this Quarter total \$232,000.

Notable Highlights this Quarter:

BC Hydro and Power Authority received three Orders to Remedy for the **Site C Clean Energy Project** under the *Environmental Assessment Act*. These enforcement actions were in response to the Project's failure to meet requirements under its Waste Management Plan, Spill Prevention and Response Plan, and its Environmental Assessment Certificate conditions.

Pollution Prevention and Pollution Abatement Orders were issued under the *Environmental Management Act* to several agricultural operators in the **Hullcar Valley** after water-quality results and inspections concluded that there were reasonable grounds to believe they were contributing to high nitrate levels of the Hullcar Aquifer.

Significant increases to ticket fine amounts for several violations under the *Wildfire Act* and the Wildfire Regulation came into effect in April 2016. These changes mean that British Columbia now has some of the highest **wildfire-related violation ticket fine amounts** in Canada. For example, the fine for not complying with a fire restriction under the *Wildfire Act* tripled from \$345 to \$1,150. Six tickets were issued during this Quarter under the *Wildfire Act*.

Under the Recycling Regulation, producers of "Bluebox" recyclables are required to take responsibility for the life-cycle management of their packaging and printed paper products. **Yum! Brands Inc.**, owner of KFC, Pizza Hut, and Taco Bell, and **MTY Group Ltd.**, owner of 48 franchisee brands such as Jugo Juice, Café Van Houtte, and Taco Time, each received an Administrative Penalty (\$36,000 and \$20,000 respectively) for not meeting these requirements.

Yunhee (Sarah) Kim and Yon Kim were found guilty for the **trafficking of wildlife meat and parts**, including bear gall bladders, bile and paws. An investigation was conducted into Yunhee Kim's use of wildlife parts for the practice of alternative medicine at an acupuncture clinic and wellness centre in Coquitlam. She was charged \$3,200 on seven counts (\$22,500 total) under the *Wildlife Act*, with \$700 per count (\$4,900 total) going to the Habitat Conservation Trust Foundation. Yon Kim pled guilty to two counts of trafficking bear gall bladders and was fined \$5,200 under the *Wildlife Act*.
