

# QUARTERLY ENVIRONMENTAL ENFORCEMENT SUMMARY

1st Quarter 2010  
(January 1 - March 31)

*Protecting the Splendor of our Natural Places*

## Highlights

**The Quarterly Environmental Enforcement Summary for Q1 2010 outlines 5 orders 59 Administrative Sanctions, 216 Tickets, and 10 Court Convictions and for a combined total of over \$86,000 in penalties.**

Notable Highlights this Quarter:

This is the first Quarterly Compliance and Enforcement Summary (QCES) to include the names of individuals issued tickets under Ministry of Environment legislation. The addition of this information has been made possible by legislative amendments enacted in the fall of 2009. Including the names of individuals allows the ministry to better achieve two of the primary purposes of the QCES, which are: (1) to provide greater transparency in the governance of British Columbia's environment; and (2) to provide an added measure of deterrence from breaking environmental laws. The QCES has always included the names of corporations issued orders, tickets, or convicted in court.

A Remediation Order was issued under the Environmental Management Act to **Seaspan International Ltd** and **Domtar Inc**, the current and former owners of an industrial property located on the north shore of Burrard Inlet. Historically, this high priority contaminated site was used as a wood treatment facility and it is presently being used for shipyard operations.

The public plays an important role in keeping our province safe, clean and beautiful. The **Report All Poachers and Polluters (RAPP)** program is a toll free tip-line and web-based service for reporting known or suspected violations of fisheries, wildlife, or environmental protection laws. Calling the RAPP line ensures the crime can be reported anonymously and without risk of confronting the offender. Available 24/7, RAPP is simple, safe and effective. With accurate reporting, RAPP Call Centre staff relay the information to the Conservation Officer Service. Contact RAPP at **1-877-952-7277 (RAPP)** or **#7277** on the TELUS Mobility Network or at <http://www.env.gov.bc.ca/cos/rapp/rapp.html>
