

Hazardous Waste Update # 3 Manifest Supplement – Multiple Consignors Form

Ministry of Environment
Environmental Management Branch
Business Services

September 2006

HISTORY:

The ministry, at the request of hazardous waste carriers, developed the Manifest Supplement – Multiple Consignors form. The form was designed for use by waste carriers who collect hazardous waste of the same type from more than one consignor to establish a bulk load and deliver the completed shipment to a single receiving location. The form is intended to reduce the paper work by allowing the carrier to attach the completed Multiple Consignors form(s) to a single manifest.

TO USE THE MULTIPLE CONSIGNOR FORM

Note that only one manifest and any attached Multiple Consignors form(s) may be used for one trip.

DEFINITION OF ‘TRIP’

For the purposes of manifesting, trip means the transportation of hazardous waste from one or more consignors to the intended consignee or other intermediary site where the hazardous waste is off-loaded or stored for a period greater than 48 hours (2 days).

CUMULATIVE TOTAL:

It is also critical that the cumulative total (waste quantity) of the load be inserted on the Multiple Consignors form in the last column on the right after each pickup throughout the trip. This is a Transportation of Dangerous Goods (TDG) requirement.

MANIFEST COMPLETION:

The bottom right section of the manifest (bottom of Section C) must also be completed if the Multiple Consignor shipment is to be transferred to another location.

TO OBTAIN COPIES:

All Hazardous Waste forms are sold by:

Victoria Distribution Centre
PO Box 9455 Stn Prov Govt
Victoria, BC V8W 9V7

Location:
742 Vanalman Ave
Victoria, BC

Telephone: 250-952-4460
Facsimile: 250-952-4442
