Dear Mr. D'Avignon:

Re: Brewers Distributor Limited Product's (BDL) Product Stewardship Plan

Thank you for the copy of the BDL Beverage Container Stewardship Plan, as required by section 4 of the Recycling Regulation.

I have completed my review of the BDL stewardship plan submitted on November 9, 2009, for refillable and non-refillable beer, cider and cooler containers. I am satisfied that the plan meets the requirements of the Recycling Regulation and I approve the BDL stewardship plan. Please be advised that this approval does not extend to any materials or content contained in the plan that are extraneous to the requirements of section 5 of the Recycling Regulation.

I would like to take this opportunity to thank you for your efforts in developing the BDL stewardship plan to meet the new requirements under the Recycling Regulation. I look forward to receiving future annual reports detailing the targets and key milestones reached during the implementation of this plan, as required under section 8 of the Recycling Regulation.

Yours truly,
