

## 2017 AgriStability Interim Application

### British Columbia Ministry of Agriculture

This application allows you to estimate your income and production for the 2017 program year. The Administration can then issue a payment based on a percentage of your estimated program year benefits. If your final 2017 payment differs for any reason from the 2017 Interim Payment, any overpayments must be repaid by you, and any underpayments will be paid to you.
