### **Contract Terms and Formation**

**1.2** The following are included as terms of the contract between you and us:

- (a) your initial application for insurance and your application for specific coverages in each Crop Year, including all representations you make to us in the applications and in any documents we require in support of your applications,
- (b) this document,
- (c) all changes to this document that we make and notify you of in accordance with this document,
- (d) the Statement of Premiums and Coverages for the Crop Year in question, and
- (e) all terms implied by law, including those applicable terms specified under the Insurance Act, SBC 2012, c. 37 and the Insurance for Crops Act, RSBC 1996, c. 229.

Our acceptance of your original application for insurance creates a contractual relationship between you and us. It continues in force from year to year during your lifetime until terminated according to this document. Details of coverage for each Crop Year are determined in accordance with the procedures described in this contract. If you do not arrange for and pay for a specific coverage by the appropriate deadline in a Crop Year, you do not have that coverage, even though the contract continues in other respects.

### **Changes To Contract**

**1.3** We may change the terms of this contract by notifying you of the change 30 days before the start of the Crop Year affected. We may change, without limitation, the kinds of Crops insurable, the perils covered, premium rates, minimum premiums, insurable value choices, deadlines, and general terms of coverage. If you do not agree with the change to the contract, you can cancel it by giving written notice (see paragraph 1.5), or you can elect to not have coverage by not

paying your premium (see paragraphs 4.5 and 4.6) by the due date (see paragraph 10.1).

### **Periods Of Coverage**

**1.4** Insurance coverage specified on a Statement of Premiums and Coverages is effective from the start of the Crop Year until

- (a) for Strawberry Plant Loss and Blueberry Plant Loss, the end of that Crop Year, and
- (b) for Yield Loss,
  - (i) the end of that Crop Year,
  - (ii) for any portion of a Crop, the day that portion is harvested, or
  - (iii) the day when, in our opinion, the harvesting of the Crop should have been completed,

whichever is earlier.

### **Termination - You Must Give Us Written Notice**

**1.5** You may terminate this contract by giving us written notice. The notice takes effect immediately before the start of the next Crop Year.

### **Contract Ends Upon Death**

**1.6** In the event of your death, the contract terminates either

- (a) at the end of the Crop Year in which death occurs, or
- (b) on the day that your insurable interest ceases to be part of your estate,

whichever is the earlier.

### No Transfer Of Insurance Without Consent

- 1.7** If you transfer all or part of your insurable interest (by selling or otherwise) the contract with respect to the transferred portion terminates at the time of the transfer. Any applicable reduction in premium due for optional coverages is determined according to a methodology available for viewing at one of our Business Risk Management Branch Offices before the Crop Year starts.

The contract does not terminate if we, you, and the transferee agree to substitute the transferee for you concerning that transferred interest. We may refuse to agree or we may vary the terms of the contract as a condition of agreeing.

---

## **UNDERWRITING AND ANNUAL REVISION OF COVERAGE DETAILS**

### **Deadline For Changes In Coverage**

- 4.1** If you want coverage different from the previous Crop Years', we recommend you notify us in writing at least 30 days before the Crop Year starts. In any event, you must request changes and give us all the information we require in support before the Crop Year starts.

### **You Must Request Coverage For All Of Your Crop/Plants**

- 4.7** If you request coverage for Yield Loss of a Type of Berry, you must request coverage for the entire crop you grow on land you own or lease as of the start of the Crop Year. If you request Strawberry Plant Loss coverage, you must request Strawberry Plant Loss coverage on all Strawberry Plants you own at the start of the Crop Year.

If you request Blueberry Plant Loss coverage, you must request Blueberry Plant Loss coverage on all Blueberry Plants you own or lease at the start of the Crop Year.

### **Termination of Contract – Failure to Obtain Coverage**

- 4.11** If you have not obtained coverage for two consecutive Crop Years and do not obtain coverage at the start of the next Crop Year, this contract terminates at the start of that Crop Year. If you wish to again obtain coverage, you will have to reapply.
