FILING CLERK		MT

recommend that Order in Council No. 1145, approved on April 28th, 1961, be rescinded:

AND TO FURTHER RECOMMEND THAT pursuant to the Placer-Mining Act and Mineral Act and all other powers thereunto enabling no person may enter, locate, prospect or mine upon the following areas in the Omineca Mining Division, or for any mineral therein:

All those lands situated in Range 5, Coast Land District, more particularly described as follows:

Commencing at the northeast corner of Lot 2176, Range 5, Coast Land District; thence westerly along the northerly boundaries of Lots 2176, 1612A and 1613 to the intersection with the 2600-foot contour of elevation bounding Fulton River on the north; thence in a general westerly, southerly and easterly direction along the 2600-foot contour of elevation bounding the Fulton River on the north and south to its intersection with the westerly boundary of Lot 1611A; thence northerly along the westerly boundary of Lot 1611A to the northwest corner thereof; thence northerly in a straight line to the southwest corner of Lot 2176, being a point on the high water mark of Fulton River on the left bank thereof; thence in a general easterly direction along the said high water mark to the southeast corner of Lot 2176; thence northerly along the easterly boundary of said Lot 2176 to the northeast corner thereof, being the point of commencement:

except in accordance with and subject to the following terms and conditions:

- (1) That any free miner who locates a placer claim or mineral claim and obtains a record thereof or who obtains a placer lease or a mineral lease shall do so at his own risk and shall not interfere or allow any person exploring, developing, mining, or working in any way the said claim or leasehold to obstruct or to interfere in any manner with the exercise of any right, whether existing or subsequently granted, of any other person to flood, or to occupy for any purpose connected with a salmon fisheries development project, the areas reserved, or to construct, operate and maintain any work done or structure erected for any of the foregoing purposes and the free miner shall not be entitled to compensation for any damage which may be done to his mining operation, plant or equipment by the aforesaid exercise of any right whether existing or subsequently granted:
- (2) No free miner shall carry on any mining operation within fifteen hundred feet of any dam, conduit, water tunnel, or spillway, or within five hundred feet of any other work or structure which may be erected in the areas reserved except with the permission of the Chief Inspector of Mines:
