THAT pursuant to the Mineral Act and Placer-mining Act and all other powers thereunto enabling no person may locate or mine in or upon the following areas in the Cariboo Mining Division:

1. All that portion of the main stream of the Fraser River and its tributaries lying below the 2100-foot contour of elevation and lying upstream from a point on the Fraser River lying 5 miles downstream from Averil Creek, excepting thereout any portion covered by reserves established under the Mineral and Placer-mining Acts by Order-in-Council 2673, approved October 24, 1961, and Order-in-Council 98, approved January 12, 1961:
2. All that portion of the main stream of Hay Creek and its tributaries lying below the 2100-foot contour of elevation and lying upstream from the 122° 13' Meridian of west longitude:

except in accordance with and subject to the following terms and conditions:

- (1) That any free miner who locates a placer claim or mineral claim and obtains a record thereof or who obtains a placer lease or a mineral lease shall do so at his own risk and shall not interfere or allow any person exploring, developing, mining, or working in any way the said claim or leasehold to obstruct or to interfere in any manner with the exercise of any right, whether existing or subsequently granted, of any other person to flood, or to occupy for any purpose connected with the development of hydro-electric power, the areas reserved, or to construct, operate and maintain any work done or structure erected for any of the foregoing purposes, and the free miner shall not be entitled to compensation for any damage which may be done to his mining operation, plant or equipment by the aforesaid exercise of any right whether existing or subsequently granted:
