Dear Mr. Handley:

Re: Holdich Creek Reserve

Enclosed for your information is a copy of B.C. Reg. 204/2000. This Regulation establishes a mineral and placer reserve in the Revelstoke Mining Division. As requested by your office, the purpose of this reserve is to ensure no tenure location occurs over the site of the highway re-routing and new bridge location. This highway re-routing and new bridge construction are being done as a result of an overflow that occurred resulting in the Holdich Tunnel being plugged. Also enclosed is a copy of the sketch of the area reserved.

Yours truly,

Claudia Fleming
Reserves Coordinator
