Anyone requesting Crown petroleum and natural gas rights for disposition may submit their request through Petroleum Titles Online at: <https://www.ptonline.gov.bc.ca/defaultssl.htm>

Alternatively, posting requests and re-posting requests can be made in accordance with the Instructions for Submitting Posting or Re-Posting Requests” guidelines available from the following website:

<http://www.empr.gov.bc.ca/Titles/OGTitles/SalesNotices/Pages/Instructions.aspx>

Posting requests maps, posting descriptions, and shapefiles of parcels being considered for disposition can be found on our website at:

<http://www.empr.gov.bc.ca/Titles/OGTitles/Pages/PostingRequestMaps.aspx>

Postings will be received up to and including the respective Closing Date as listed in the schedule. Re-Postings will be received up to and including the respective No Bid or No Acceptable Bids (NB or NAB) Closing Date as listed in the schedule. Late submissions cannot be accepted.

Requests to withdraw, postpone or revise postings will not be considered after the withdraw/postpone/revise deadline. Only the original requester can initiate a withdraw/postpone/revise request for parcels they requested for disposition. A withdrawal request is made with the intent to remove a parcel from being considered for disposition. A postponement request is made with the intent to move the requested parcel to a future disposition date. Revise requests can involve changes to the tenure type, the requested rights, or the configuration of the requested parcel. The reconfiguration of a parcel must not result in new lands that were not part of the original request being added to the parcel. The right to approve withdraw/postpone/revise requests is reserved.

In the event a parcel offered for disposition receives NB or NAB on the day of the disposition, those lands can be requested to be re-posted for the next available disposition of Crown petroleum and natural gas rights as the Disposition Dates Schedule permits. Requests to re-post NB or NAB parcels will be received up to and including the NB or NAB Closing Date as listed in the schedule. The right to approve re-posting requests is reserved.

The parcel description for a parcel requested for re-posting due to NB or NAB must be identical to the description of the parcel receiving No Bids or No Acceptable Bids. No changes to the NB or NAB parcel description will be accepted. Requests for re-postings must be submitted via facsimile in accordance with Instructions for Submitting a Posting or Re-Posting Request.

Re-posting requests cannot be made using Petroleum Titles Online.

The right to postpone a competition or amend this schedule is reserved.
