Oil and Gas Titles

TITLES-03-04

Subject: Muskwa West (South), Halfway-Graham Pre-Tenure Plans

Pre-Tenure Plans for the southerly portion of the Muskwa West and the Halfway-Graham areas, [shown outlined on two maps which can be found on the Ministry of Sustainable Resource Management website at <http://srmwww.gov.bc.ca/rmd/ecdev/mog/ptp/muskwa-ketchika/PTPConsultationDraft.htm>,] have recently been approved by the Minister of Sustainable Resource Management. These Pre-Tenure Plans are within the Muskwa-Kechika Management Area (M-KMA), an area designated under the *Muskwa-Kechika Management Area Act*. The legislation requires that a pre-tenure plan be completed before the Ministry of Energy and Mines can offer oil and gas rights for competition within the M-KMA.

The Ministry of Energy and Mines is now accepting posting requests within the Muskwa West (south) and Halfway-Graham (north) Pre-Tenure Plan areas for any of its regularly scheduled dispositions of oil and gas rights. Posting requests for the southerly portion of the Halfway-Graham plan will be accepted for regularly scheduled sales commencing with the January 14, 2004 sale, which closes for postings on October 07, 2003.

For disposition dates, refer to Information Letter #[TITLES 03-02 - 2003/2004 Petroleum and Natural Gas Rights Disposition Dates](#).

To obtain information on bidding procedures for oil and gas rights, refer to Information Letter [EMD00-05 - Amended Crown Reserve Bidding Procedures](#).

The Information Letters are located on our website at:
<http://www.em.gov.bc.ca/Subwebs/Landsale/InfoLetters/Default.htm>.

The Muskwa West (south) and Halfway Graham Pre-Tenure Plan document is available on the Ministry of Sustainable Resource Management website at:

<http://srmwww.gov.bc.ca/rmd/ecdev/mog/docs/PTPMKMA-020703-final.pdf>

or by contacting Mr. Graeme McLaren at (250) 953-3674.
