

FLNRO Policy Regarding the Application of S.A.F.E. as an eligibility to bid or enter into contracts Dec 22, 2015

BC TIMBER SALES (BCTS) Appendix F

This section applies to BCTS work funded under BCTS Special account. These activities are generally all forestry related due to the mandate of BCTS. Consequently BCTS currently places no contracts out of scope save those which are exempted under the provisions of this policy.

“In Scope” Contracts

- All contracts issued and administered by BCTS.

“Out of Scope” Contracts

- Headquarters Issued and Administered Contracts as exempted by directive by the Director of Business Management for type and nature of work not being related to field forestry work.

Exemption Authority (for BCTS contracts)
