

B.C. Three-Year Opportunities Outlook

1. The information contained in this document is provided for informational purposes only and cannot be relied upon.
2. While the supply arrangements described in this document may be indicative of future procurements, the Province makes no representations or guarantees that the Province will procure any or all of the commodities in the future. Furthermore, the Province has not yet conducted its market research or prepared a procurement plan including how the Province will approach the market in the future should the Province decide to procure any of the commodities listed.
3. This Three-Year Opportunities Outlook document includes current supply arrangements held by the Province, and may not be exhaustive. These supply arrangements do not necessarily represent the exclusive means of obtaining the subject commodities. Moreover, these supply arrangements are based on an "as, if and when" requested basis and therefore the Province may not purchase any of the commodities listed.
4. This Three-Year Opportunities Outlook document is not an invitation to submit tenders or proposals. For current procurement opportunities please refer to the postings available on BC Bid (www.bcbid.ca).
5. Future procurement opportunities may be posted to BC Bid (www.bcbid.ca) and vendors are encouraged to check BC Bid for such opportunities.

The Anticipated Advertising Date is an estimate only of when an opportunity may be published and could change if the contract is extended or if a different approach is used in the future.
