Green Tip:

Don't be a drip - fix that leak!

Leaky faucets can waste thousands of gallons of water each year, like money down the drain. Repair or replace old or damaged fixtures.

RECYCLE RECYCLE RECYCLE

Did you know we have a "Return It" and Product Care program in our Victoria and Surrey locations?

Since its inception in February 2008, this program funded by the province has processed over 2.5 million KG of e-waste. This has had an incredibly positive impact on the reduction of landfill waste and items being shipped overseas.

We have free drop off open to the public for end of life electronics and small appliance recycling. The items are received, sorted, palletized and then broken down further into raw materials. These materials are then turned into road base and other various re-manufacturing uses.

Here are just some of the oldies we recycle for free...

- Desktop and portable computers and accessories
- Televisions and monitors
- Printing, scanning and multi functional devices
- Audio products
- After market vehicle audio systems
- IT and telecom devices
- Electronic musical instruments
- Medical monitoring and control devices

Our two locations:

Victoria
4234 Glanford Rd
Drop off: 8:30am - 3:30pm

Surrey
8307 – 130th St
Drop off: 8:30am - 3:30pm

For a full list of returnable items visit www.return-it.ca

Remember that while the program is designed to manage unwanted items, it's even better to reuse before recycle.

New Feature!

Did you know we have a new feature on our website?

Look for the Canadian maple leaf on all products that are Made in Canada.

2013 Dated Products

It's hard to believe summer is nearly over, and school will soon be back in session. Now is the time to start thinking about next year because 2013 dated products are now in at the DCV. Please refer to the e-flyer or browse the Dated Products in the DCV Online Store. These products change stock numbers each year so you will want to go by the new product numbers and not copy it off your order from last year. Dated products are not some-thing that we can re-order so order early for the best selection.

Make sure you include everyone - circulate the online flyer. [Click here to view online flyer](#)

Ordering is easy! Simply click on Office Supplies & Stationary to get started. In case you can't find what you need at the DCV, Grand&Toy offers discounts to B.C. Government employees for ministry and personal purchases. Email us at: DCVCustomerSer@gov.bc.ca or call 250-952-4460 for more information on the employee purchase program.
