200 - 1333 West Broadway, Vancouver BC V6H 4C6
 Phone: 1 877 357-4747 **Fax: 1 877 387-4757**

The information on this form is collected under s.26(c) (e) of the *Freedom of Information and Protection of Privacy Act* and will be used to place locum physicians as needed and to ensure continuous care for rural communities. The Ministry of Health is collecting this information for the purpose of program evaluation. If you have any questions about the collection and use of this information, please contact the Locum Program Officer at 1-877-357-4757, or by mail at Locums for Rural BC 200 – 133 West Broadway, Vancouver BC V6H 4C6.

LOCUM OPPORTUNITIES

With only a short-term commitment, you can experience practice in rural settings and receive an attractive compensation package.

The Rural GP Anaesthesia Locum Program (RGPALP), established by the Joint Standing Committee on Rural Issues (JSC), assists GP anaesthetists working in eligible rural BC communities to secure subsidized vacation relief. Host physicians are entitled to 10 days of locum coverage per year. The Rural GP Anaesthesia Locum Program offers locum assignments for a minimum of two days to a maximum of ten days.

THE COMPENSATION PACKAGE

- A guaranteed daily rate based on the community's level of isolation (see chart below) for each day you are on assignment.
- All travel expenses to and from your assignment, plus a travel honorarium of up to \$600 per return trip.

OTHER BENEFITS

- No payment hassles – you will receive payment from the Medical Services Plan every two weeks.
- Responsibility for submitting claims to the Medical Services Plan rests with the office of the physician you are replacing.
- Our helpful staff arranges all of your assignments and assists you with your hospital privileges, in collaboration with health authorities.
- The program will reimburse your eligible travel and accommodation expenses.
- Where applicable, you are eligible to receive payment for on-call MOCAP from the Health Authority/Host Physician.
- You will be retained as an independent contractor with the Program – not as an employee.

QUALIFICATIONS

- Eligible to practice in BC.
- A resident of BC through the duration of the locum assignment.
- A member in good standing of the Canadian Medical Protective Association or be covered by alternative medical malpractice insurance in British Columbia.
- A current certificate in Advanced Cardiac Life Support (ACLS); certificate in Advanced Trauma Life Support (ATLS) preferred, but not mandatory.
- Proof of anaesthesia training.
