

## MARRIAGE REGISTER BOOK REQUEST

Section 25 of the *Marriage Act* of British Columbia requires that religious representatives shall register each marriage solemnized in a book kept for that purpose.

Marriage Registers are issued to a church or jurisdiction rather than to individuals. One Register shall be issued to each church, congregation, parish or jurisdiction upon request of the religious body governing authority.

Marriage Registers remain the property of the Vital Statistics Agency and are subject to audit or recall at any time by the registrar general of Vital Statistics or his representative.
