What is the Portal?

The Service Provider Portal is a secure interface for Autism Service Providers to access self-service options such as creating and submitting invoices to the Autism Funding Branch electronically and viewing the status of authorizations and payments.

The Portal will provide you with:

- the ability to create an invoice and submit it electronically, replacing the need to send email or paper invoices AND increasing the speed at which payment can be generated. Invoices can also be printed off for your records.
- access to view, in almost real time, Request to Pay Orders processed by the Autism Funding Branch, allowing you to create Invoices as soon as the Orders are approved, without needing to wait for a letter or authorization number.
- access to view the status of your payments, including payments related to email or paper invoices. The payment details include the payment amount and the payment date. You will continue to receive payments in the same manner, either by Electronic Funds Transfer (EFT) deposited directly to your bank account, or by cheque via Canada Post.

What kind of support is there?

The Portal is available for access 24 hours a day, 7 days per week.

Personalized Ministry support is available to you Monday through Friday from 8:30 a.m. – 4:30 p.m., excluding statutory holidays. A [Service Provider Portal Guide](#) is available to assist you and the Service Provider Portal also has a built-in support feature, called iHelp, accessed through the “How do I ...?” link at the top of the Portal screen. This feature walks you through the completion of various tasks in the Portal.
