Incision and Drainage of Abscess.....	3
Counselling.....	3

ORAL MEDICINE SPECIALISTS SCHEDULE D

**This Fee Schedule is Limited to Those Specialists
Certified in Oral Medicine
Effective February 1, 2017**

Fee Code	Description	\$Feb 1, 2017	\$Apr 1, 2017
----------	-------------	---------------	---------------

OUT-OF-OFFICE HOURS PREMIUMS

Explanatory Notes:

- (i) A call- out charge is **in addition to fee item 35000 and emergency surgery**. It applies only to those consultations/surgeries initiated and rendered within the designated time limits.
- (ii) Call-out charges apply only when the Oral Medicine Specialist is specially called to render emergency or non-elective services and only when the Oral Medicine Specialist must travel to the hospital to attend the patient(s).
- (iii) For these fee items the claim must state both the time called and the time service rendered.
- (iv) The continuing care surcharge applies also to surgical assistant fees also.
- (v) Continuing care surcharges are payable to Oral Medicine Specialists only when the primary service to which the continuing care surcharges apply are payable by MSP on a fee-for-service basis.

Call-Out Charges

03730	Evening (call placed between 1800 hours and 2300 hours and service rendered between 1800 hours and 0800 hours)	49.34	49.59
03731	Night (call placed and service rendered between 2300 hours and 0800 hours)	69.26	69.61
03732	Saturday, Sunday or Statutory Holiday (call placed between 0800 hours and 1800 hours)	49.34	49.59

Continuing Care Operative Surcharges

Applicable only to emergency surgery or non-emergency surgery which, because of intervening emergency surgery, commences within the designated times. Applicable only to surgical procedure(s) requiring general anesthesia or neuroleptic anesthesia and/or requiring at least 45 minutes of surgical time.

35023	Evening (1800 hours to 2300 hours) - 32.77% of surgical (or assistant) fee		
	- minimum charge	49.34	49.59
	- maximum charge	340.22	341.92
35024	Night (2300 hours to 0800 hours) - 52.54% of surgical (or assistant) fee		

Fee Code	Description	\$Feb 1, 2017	\$Apr 1, 2017
	- minimum charge	69.26	69.61
	- maximum charge	477.77	480.16
35025	Saturday, Sunday or Statutory Holiday (call placed between 0800 hrs and 1800 hrs) - 32.77% of surgical (or assistant) fee		
	- minimum charge	49.34	49.59
	- maximum charge	340.22	341.92
	Notes:		
(i)	When surgery commences within evening time period (1800 – 2300 hrs) and continues into night time period (2300 – 0800 hrs), the appropriate item for billing is determined by the period in which the major portion of the surgical time is spent.		
(ii)	When emergency surgery commences prior to 1800, even if the major portion of surgical time is after 1800, surgical surcharges are not applicable.		
(iii)	If emergency surgery commences prior to 0800 and continues after 0800, surcharges are applicable to the entire surgical time.		
(iv)	Claim must state time surgery commenced.
