

Civil Forfeiture Grants 2013.14 - \$5.2M

Category	Recipient	Project	Grant Amount	Community
Missing Women Commission of Inquiry Recommendations				
MWCI	PEERS Victoria	<p>PEERS Drop-in Centre PEERS Victoria will re-open their drop-in centre for the coming year and also enhance services in their Night Outreach Program. The drop-in centre is a "Community Wellness Centre" for sex workers and sexually exploited individuals (past/present). The Night Outreach Program offers food, harm reduction supplies, nurses, clean clothing, nutritious food, hot coffee or cocoa, a safe place to report assaults ("bad dates"), peer counselling, and a friendly ear.</p>	\$100,000	Victoria
MWCI	Providing Alternatives Counselling & Education Society (PACE)	<p>The Peer-Driven Aboriginal-Led Sex Work Outreach (PASO) Team - Additional funding to PACE will be used to expand frontline services through the development of a Peer-Driven Aboriginal-Led Sex Worker Outreach (PASO) Team. The PASO team will be dedicated to supporting sex workers of Aboriginal ancestry in Vancouver's Downtown Eastside. The PASO team will: (1) promote safety and risk reduction practices; (2) facilitate access and provide peer accompaniment to support services (e.g., housing, health services); and, (3) provide referrals to targeted services that help to support transitions from survival sex work (e.g., education programs, social supports).</p>	\$100,000	Vancouver
MWCI	Women's Resource Society of the Fraser Valley (WARM Zone)	<p>Warm Zone Expansion This project will allow the Warm Zone to expand its outreach services with the purchase of a van; which will allow effective engagement and outreach in the community to vulnerable women in Abbotsford and Mission.</p>	\$100,000	Abbotsford/ Mission
MWCI	Prince George New Hope Society	<p>Case Co-ordinator and Outreach for Vulnerable Women Grant funds will allow Prince George New Hope to extend the hours of operation for the society's drop-in centre and support a liaison worker to assist women and youth.</p>	\$100,000	Prince George

MWCI	Supporting Women's Alternative Network Society (SWAN Vancouver)	SWAN SWAN Vancouver will enhance safety and supports available to newcomer, migrant and immigrant women engaged in the indoor sex trade, including: increased availability of direct support and services; access to a child-friendly drop-in space; safe and confidential connections to community services through an online outreach program; access to resources and information on safety, rights, and other work-related issues; and, opportunities for increased participation and integration with the community that promotes a sense of belonging.	\$25,000	Vancouver
MWCI	HUSTLE Program at HIM - Health Initiative for Men	HUSTLE program's Netreach project Funding will support the delivery of HUSTLE's netreach program, which is an online outreach program designed to respond to the needs of sex workers in an increasingly web-based rather than street-based environment. The goal of this work is to provide effective outreach to vulnerable youth and male sex workers in order to reduce their risk of sexual exploitation; facilitate access to services, referrals, and resources; and, support enhanced personal safety and wellbeing.	\$24,622	Vancouver
MWCI	Living in Community (LIC)	"The Living in Community Model of Balancing Perspectives on Sex Work: Expanding Collaboration to Municipalities Across BC" - Responding to Recommendation 5.3 from the Missing Women Commission of Inquiry Report, the purpose of the project is to provide support and share learnings with interested municipalities in Metro Vancouver and Northern BC in order to facilitate adoption of a Living in Community (LIC) model. This work will include the delivery of LIC's Curriculum for Change sex work awareness and education workshops to key front-line service providers and community members. The model is an evidence-informed and coordinated approach to addressing challenging issues associated with sex work and sexual exploitation, including increased safety and belonging of vulnerable women.	\$100,000	Province-Wide
MWCI	Vancouver Police Dept	Sisterwatch Evaluation Funding will be used to evaluate the SisterWatch Program and to develop a best practices guide for meaningful police-community partnerships that can be shared with other communities throughout British Columbia.	\$50,000	Province-Wide

MWCI	Carrier Sekani Family Services	<p>Highway of Tears - Preventing Violence Against Women</p> <p>This project will build upon and enhance Community Safety Training Workshops held in communities across Highway 16 between Prince George and Prince Rupert. Training will include exploration around risk factors for women living in rural and remote communities, including violence and other contributing factors to the issue of murdered and missing women.</p>	\$100,000	North/Central BC
MWCI	BC Association Aboriginal Friendship Centre	<p>Prevention of Sexual Exploitation and Human Trafficking of Aboriginal Youth in BC</p> <p>The BC Association of Aboriginal Friendship Centres will undertake a project for the prevention of sexual exploitation and human trafficking of Aboriginal youth in British Columbia, including a youth-focused prevention workshop which will include information about the risk factors associated with moving to an urban setting.</p>	\$100,000	Province-Wide
MWCI	Corporation of the Township of Esquimalt	<p>"Small Business Training Program"</p> <p>This project is focussed on supporting women looking to transition out of the sex trade by offering them small business training through a six-week program. The program will be delivered in partnership with local organizations serving marginalized women – Bridges for Women Society, Community Micro Lending Society and PEERS Victoria Resource Society. By the end of the program, participants will have a completed business plan, and will be able to apply for a micro-loan to help launch their business.</p>	\$25,000	Esquimalt
MWCI	Justice Institute of British Columbia	<p>Cultural Awareness Training</p> <p>JIBC will develop and deliver cultural awareness training to police.</p>	\$205,000	Province-Wide
MWCI	Battered Women's Support Services Association	<p>"Empowerment Options for Transitioning and Exiting"</p> <p>This project will leverage the knowledge and expertise of six community organizations in Metro Vancouver in the development of a service delivery model that responds to the needs of sex trade workers seeking to exit the sex trade. The service delivery model will highlight existing service gaps, and provide the foundation for development of a program focussed on supporting sex trade workers in their transition to alternative employment and life options.</p>	\$20,695	Vancouver

Violence Against Women

Domestic Violence Units	Family Services of Greater Vancouver	<p>"Balancing Victim Safety with Offender Accountability in Highest Risk Domestic Violence Cases in Vancouver" - This project will enhance the Vancouver Domestic Violence Unit (DVU) by providing additional staffing that will increase the capacity of the victim support worker within the unit. The objective of the project is to provide more fulsome service and to increase the number of files where victim serve workers and detectives work in partnership to serve highest risk victims of domestic violence.</p>	\$25,000	Vancouver
Domestic Violence Units	Kelowna RCMP	<p>"Embedded Domestic Violence Response Team" - This project will establish a Domestic Violence Unit in Kelowna in order to provide enhanced services to victims of domestic violence. The unit will consist of an RCMP Domestic Violence Officer, a co-located Community-Based Victim Service Worker and a co-located MCFD Child Protection Worker. The project will also include an evaluation component for the team, with statistical data gathered as well as an interview process for clients who consent to participate.</p>	\$20,200	Kelowna
Domestic Violence Units	Haven Society	<p>"Nanaimo Region Domestic Violence Unit" - This project will assist the Nanaimo Region in developing and implementing a Domestic Violence Unit, which includes the co-location of a dedicated RCMP officer, a community-based Victim Services Worker, and an MCFD Child Protection Worker. Through a coordinated service delivery model, the project will develop a specialized response to incidents of serious domestic violence cases. The project has four major phases Training; Development; Implementation; and Review and Evaluation.</p>	\$24,818	Nanaimo
Domestic Violence Units	New Westminister Police Department	<p>"Maximizing Criminal Justice System Tools for Enhancement of Safety for Highest Risk Domestic Violence Victims in New Westminister" - This project will entail the purchase of a KIT UFED (Universal Forensic Extraction Device) Logical (Logical Mobile Forensic Solution) for the New Westminister Domestic Violence Response Team (DVRT). This purchase will address the increased use of cellular phones to criminally harass and threaten victims in domestic violence cases by obtaining evidence from highest risk domestic violence offenders' and victims' cellular phones in a timely and forensically sound manner. By better meeting evidentiary needs of the criminal justice system in a more time-efficient manner, the project aims to enhance both offender accountability and victim safety.</p>	\$7,085	New Westminister

Domestic Violence Units	Greater Victoria Regional Domestic Violence Unit	"RDVU Victim Support Vehicle" The purpose of this project is to enhance the Regional Domestic Violence Unit (RDVU) victim support worker's response to high risk victims and families in the community by providing a vehicle dedicated to the victim support workers.	\$22,000	Saanich
Domestic Violence Units	Central Okanagan Elizabeth Fry Society	"West Kelowna Domestic Violence Project" In partnership with the West Kelowna RCMP Detachment, this project will build off of the West Kelowna Domestic Violence Project strategic plan, "Setting Our Direction." In bringing together local service delivery partners this project will broaden and formalize partnerships, explore the co-location of domestic violence service providers, enhance collaboration, and improve access to community supports for victims and families of domestic violence.	\$24,250	West Kelowna
Domestic Violence Units	Surrey Women's Centre Society	"Surrey Domestic Violence Unit: Supporting the Co-Location of a Community-based Victim Support Worker" The goal of the project is to support the development of the Surrey Domestic Violence Unit through the co-location of a community-based victim service worker within the unit. This project will enable the Surrey Women's Centre to redefine its service delivery model in order to recruit hire and train a community-based victim service worker to be co-located with the Surrey RCMP DVU. The community benefits include an enhanced focus on victim safety, offender accountability as well as the formalization of community partnerships.	\$25,000	Surrey
Domestic Violence Units	Mission Community Services Society	"Developing a Working Domestic Violence Unit/Response in Mission" This project will begin to address the need for a more coordinated response to the issue of domestic violence within the community of Mission. Working in a collaborative manner, key service partners will explore the creation of a co-located Domestic Violence Unit, enhance interagency coordination through strengthened policies, procedures and practices, and ensure that there is an accessible, supportive community infrastructure for victims of domestic violence and their children.	\$25,000	Mission

Domestic Violence Units	Abbotsford Police Department	"APD Domestic Violence Unit - Vehicle Request" - This project will enhance the Abbotsford Domestic Violence Unit by securing a vehicle equipped with car seats and booster seats. The purchase of this vehicle will enable the DVU to provide better and more effective transportation services for high-risk victims of domestic violence who are unable to secure their own transportation. By increasing the transportation capacity, the Unit will be able to more effectively meet the needs of clients.	\$22,330	Abbotsford
Domestic Violence Units	Chinese Community Policing Centre	"Pathways of Empowerment" As an enhancement to the Vancouver Domestic Violence Unit, this project will provide the Chinese-speaking community with one stop access to comprehensive information concerning domestic violence. The project will use a culturally appropriate and multi-pronged approach - including print materials, seminars, conventional media, and social media/online presence - to promote awareness, encourage dialogue, empower victims, and consolidate all the pertinent information in one package.	\$10,000	Vancouver
Domestic Violence Units	Greater Victoria Regional Domestic Violence Unit	"Domestic Violence Unit Training Course" This project includes the design and delivery of a multi-day Domestic Violence Unit Operations course. The course will be available to agencies and stakeholders in BC that have a DVU or are interested in developing a DVU. The overall goal of the course would be to build readiness and increase knowledge among police, community agencies and other stakeholders.	\$16,000	Province-Wide
Domestic Violence Units	Vancouver Police Department	"Domestic Violence Outreach Transportation" The purpose of this project is to purchase a vehicle that is available to the Vancouver Police Department Domestic Violence, Criminal Harassment and Elder Abuse Unit (VPD DVACH) and Family Services of Greater Vancouver (FSGV) to provide safe and reliable transportation for victims of domestic violence. Specifically, the project will enhance outreach transportation services and provide transportation services to high risk domestic violence victims that require transport to shelters, transition homes, new housing, court and various other related appointments.	\$19,795	Vancouver
Domestic Violence Units	Vancouver Domestic Violence Unit - Family Services of Greater Vancouver	Vancouver Domestic Violence Unit Funding will be used to enhance the domestic violence unit in Vancouver. Funds will go to the provision of frontline victim services, clinical case supervision and training for all DVU staff.	\$100,000	Vancouver

Domestic Violence Units	Provincial Protective Measures Unit - Family Services of Greater Vancouver & Vancouver Police Board	Provincial Protective Measures Unit - Funding will support additional staffing hours for frontline victim services, purchasing secure telecommunications equipment and creating secure office space for the PPMU.	\$150,000	Province-Wide
Domestic Violence Units	Abbotsford Domestic Violence Unit - Abbotsford Community Services	Abbotsford Domestic Violence Unit Funding will be used to enhance the domestic violence unit in Abbotsford. Funds will go to the provision of frontline victim services, training for DVU members and community partners, and clinical supervision and self care for victim service workers. In addition, the funding will help build awareness about domestic violence within the Abbotsford School District.	\$100,000	Abbotsford
Domestic Violence Units	Surrey Domestic Violence Unit - Surrey RCMP	Surrey Domestic Violence Unit Funding will support the development and delivery of training on domestic violence risk factors and other relevant topics for the Surrey DVU and key community partners.	\$19,500	Surrey
Domestic Violence Units	Surrey Domestic Violence Unit - Surrey Women's Centre	Surrey Domestic Violence Unit Funding will be used to support the development of a domestic violence unit in Surrey. Funds will go to the provision of frontline victim services, training opportunities for DVU members, as well as emergency supports to victims. In addition, funding will support an evaluation, translation of materials for clients, and the development of protocols and procedures to guide the collaborative work of the DVU and relevant community partners.	\$150,000	Surrey
Domestic Violence Units	Nanaimo Domestic Violence Unit - Haven Society	Nanaimo Domestic Violence Unit Funding will be used to support the development of a domestic violence unit in Nanaimo. Funds will go to the provision of frontline victim services, training opportunities for DVU members and partners, strengthening partnerships within the community to ensure collaborative service delivery and enhancing supports to children impacted by domestic violence.	\$70,000	Nanaimo
Domestic Violence Units	Kelowna Domestic Violence Unit - Central Okanagan Elizabeth Fry Society	Kelowna Domestic Violence Unit Funding will be used to support the development of a domestic violence unit in Kelowna. Funds will go to the provision of frontline victim services, training opportunities for DVU members and the development of protocols and procedures to guide the operational work of the DVU.	\$70,000	Kelowna

Domestic Violence Units	Greater Victoria Regional Domestic Violence Unit - Victoria Women's Transition House Society	Greater Victoria Region Domestic Violence Unit - Funding will be used to enhance the domestic violence unit in Greater Victoria. Funds will go to the provision of frontline victim services and to strength linkages and referrals between the Capital Region DVU and the Spousal Assault Program. Funds will also support an evaluation and training/education opportunities for DVU members.	\$100,000	Saanich
Domestic Violence Units	New Westminster Domestic Violence Unit - Family Services of Greater Vancouver	New Westminster Domestic Violence Unit Funding will be used to enhance the domestic violence unit in New Westminster. Funds will go to the provision of frontline victim services, clinical supervision and training for all DVU staff.	\$70,000	New Westminster
Human Trafficking & Sexual Exploitation	Circle of Indigenous Nations Society	"Strengthening Cultural Connections – Aboriginal Women’s Healing Conference" This project will gather 25-30 vulnerable Aboriginal women and youth in the West Kootenay/Boundary region for a 3 day conference that will provide participants with an opportunity to experience traditional healing, cultural connection, and connections to community through experiencing a traditional drum making ceremony and traditional healing circles.	\$23,000	Krestova (near Castelgar)
Human Trafficking & Sexual Exploitation	Children of the Street Society	"Workshops for High-risk Youth" Funding will support a prevention, education and early intervention workshop specifically designed to engage high-risk youth (ages 10-18) across British Columbia to be proactive in preventing sexual exploitation and human trafficking. The project aims to engage a variety of high-risk youth groups including youth in alternative education programs; Aboriginal communities and agencies; newcomer youth; English as Second Language classrooms; youth who identify as LGBTQ; detention/custody centres; girls’ groups or POSSE groups; health clinics; youth drug treatment facilities; as well as youth in government care.	\$25,000	Coquitlam (Lower Mainland)
Human Trafficking & Sexual Exploitation	Boys & Girls Club Services of Greater Victoria	"Warrior Women" Funding will support a project targeting female Aboriginal youth ages 8 to 16 living on one of four reserves (Tsawout, Tsartlip, Pauquachin, and Tse:cum) to help them recognize and connect with resources available to them. Project activities will focus on building protective factors by introducing participants to healthy lifestyle options (eg. healthy food, activities, etc), increasing self-esteem and self-awareness, creating positive body image in participants, encouraging girls to build a positive cultural identity, and learning about healthy relationships.	\$12,502	Victoria

Human Trafficking & Sexual Exploitation	Vancouver Aboriginal Community Policing Centre Society	<p>"Sisters Speak"</p> <p>This project targets young Aboriginal Women, youth and girls, who are at risk of being sexually exploited in Vancouver's Eastside and local schools. Activities are designed to educate and inform participants on how to stay safe and reduce their risk of sexual exploitation, access community services, and report any incidents of violence or exploitation.</p>	\$24,400	Vancouver-East
Human Trafficking & Sexual Exploitation	Community Options Society	<p>"Kids Teach Kids"</p> <p>This project will recruit an initial target group of 15-20 youth to engage in education, training and project development activities in order to deliver key safety messages about the sexual exploitation and sextortion of vulnerable girls and young women to school, peers, youth groups and the community, including local government. Partners include Cowichan Tribes, School District #79 and community youth groups.</p>	\$20,124	Duncan
Human Trafficking & Sexual Exploitation	Nanaimo Women's Resources Society	<p>"Paths to Prevention"</p> <p>This project is a peer driven initiative in collaboration with professionals to develop curriculum and prevention activities targeting vulnerable girls. Service users will be encouraged to actively drive the planning, delivery, and evaluation of programming.</p>	\$25,000	Nanaimo
Human Trafficking & Sexual Exploitation	Bridges for Women Society	<p>"Women, Safe & Sacred; Bridges for Women Prevention, Support and Successful Transitions Program"</p> <p>This project aims to prevent the sexual exploitation and human trafficking of vulnerable women by offering psycho-educational workshops, prevention strategies, and online safety strategies for women in the Bridges for Women programs in the following communities: W'SANEC First Nations including Tsawout and Tsartlip First Nations, Tla-o-qui-aht First Nation, rural and remote online Bridging students from Campbell River North on Vancouver Island, as well as in the Salmon Arm/Revelstoke areas; and women in the Bridges for Women Programs in Greater Victoria, including Aboriginal, and new Canadian/Immigrant women.</p>	\$25,000	Victoria

Human Trafficking & Sexual Exploitation	Richmond Youth Service Agency	<p>"Soaring Wings" Group workshops and 1-to-1 support for girls and women aged 13-24 that addresses vulnerability to sexual exploitation through preventative education, capacity building, and the creation of support networks. Workshops will include interactive activities that draw on established best practices and resources, such as the Sexual Exploitation Toolkit (2013).</p>	\$23,200	Richmond
Human Trafficking & Sexual Exploitation	PLEA Community Services Society of BC	<p>"OnyxWorks" Meaningful employment and mentorship opportunities for 8-10 young women, aged 13 to 18, who have been sexually exploited. The project will combine intensive one-to-one support and supervision, a 10-week job placement with an employer/ mentor, and a variety of learning and skills-based training opportunities. The project prevents future experiences of sexual exploitation by providing opportunities for gainful employment, increasing pro-social community connections, building participants' resilience, and supporting their goals to experience safer, healthier and happier lives.</p>	\$25,000	Multi-city
Human Trafficking & Sexual Exploitation	Howe Sound Women Centre Society	<p>"Ways Aboriginal Young Women Strengthen Safety Project (WAYSS)" Development and delivery of 4 workshops for Aboriginal women (aged 16-19) living within the Sea to Sky catchment area. Workshops will be designed to strengthen awareness of sexual exploitation and human trafficking, identify the location of urban/local resources, and develop safety planning tools. All activities seek to prepare participants for a healthy and safe transition to urban living.</p>	\$9,817	Squamish
Human Trafficking & Sexual Exploitation	MOSAIC	<p>"Newcomer Youth (NuYu) Popular Theatre Girls Group" A specialized 10-week program for newcomer girls and young women (aged 14-24) that uses Popular Theatre as a central tool for dialogue on the prevention of sexual exploitation and human trafficking. Participants will collectively create a series of short theatre plays based on their real life experiences. The scenes will then be showcased in 3 community forums as a basis for increasing awareness and dialogue on the issues of sexual exploitation and human trafficking.</p>	\$25,000	Vancouver

Human Trafficking & Sexual Exploitation	Aboriginal Front Door Society	<p>"Aboriginal Women's & Girls Healing Circles Addressing Sexual Exploitation & Human Trafficking"</p> <p>This project will build a healing foundation and pro-social connections for Aboriginal women and girls at risk of sexual exploitation and human trafficking. Using traditional healing circles, a safe space will be created to dialogue on risk, safety and prevention of sexual exploitation and human trafficking in the downtown eastside (DTES). Healing circles will include presentations from elders as well as guest speakers from partnering service organizations. Input from participants in the healing circles will be used as the basis for a town hall meeting with partner organizations to workshop best practices for supporting aboriginal women in the DTES in the prevention of sexual exploitation and human trafficking.</p>	\$25,000	Vancouver
Human Trafficking & Sexual Exploitation	Friendship House Association of Prince Rupert	<p>"Protecting our Women"</p> <p>This project focuses on preventing sexual exploitation and human trafficking by supporting Aboriginal women of all ages in the transition from rural to urban environments. Through weekly workshops, the project will support development of pro-social connections, enhance life skills, share positive practices for health and wellbeing including traditional practices, and increase awareness of risks and how to prevent sexual exploitation and human trafficking in the transition to an urban environment. Examples of activities include: drum circles; sewing traditional regalia; stress management and coping skills; safety planning; and developing local resource lists.</p>	\$25,000	Prince Rupert
Human Trafficking & Sexual Exploitation	BC Teachers' Federation	<p>"Stolen Lives: Calling Back our Spirits"</p> <p>Building on the success of a previous initiative in the North for Aboriginal educators, this project involves a one day training conference focusing on sexual exploitation and domestic trafficking of aboriginal youth. The conference will target 150-200 BCTF educators of Aboriginal students. Topics will include: tools to recognize, respond, and prevent the domestic trafficking of Aboriginal youth and girls. Resources compiled for conference will be available to BCTF educators on an ongoing basis through a central lending library.</p>	\$20,000	North/Central BC

Human Trafficking & Sexual Exploitation	Women Against Violence Against Women Rape Crisis Centre	<p>"Sexual Exploitation Awareness Project" WAVAW will work with the Vancouver Police Department's Counter Exploitation Unit to deliver workshops in high schools and to develop a visual awareness campaign focused on preventing sexual exploitation and human trafficking. Workshops will be delivered to young women and men in 5 different high schools throughout the lower mainland to understand how human trafficking occurs and the tactics used to recruit youth.</p>	\$25,000	Vancouver
Human Trafficking & Sexual Exploitation	Kwkwetlem First Nation	<p>"Kwkwetlem Women's Talking Circle" A talking circle is used in Aboriginal communities as a respectful and meaningful way to open communication with others. Kwkwetlem's women's talking circle will be a vehicle to bring together and empower aboriginal youth and women vulnerable to sexual exploitation. This project will include 15 sessions focused on respect and self worth utilizing traditional teachings and activities in order to prevent sexual exploitation.</p>	\$16,384	Coquitlam
Human Trafficking & Sexual Exploitation	Lake Trail School – School District #71 Comox Valley	<p>"Giving Voice to Young Women" The Giving Voice to Young Women" is a 2 day event at the K'omoks first nation's longhouse for 75-80 young women that will address cultural protocols, participating in traditional dance of transformation, and sharing each other's life experiences. The event will include group activities to address identity, self awareness, importance of family and community, and cultural and spiritual strength in order to prevent sexual exploitation. Susan Aglukark will be the keynote speaker at the event.</p>	\$12,700	Courtenay
Human Trafficking & Sexual Exploitation	West Heights Community Schools	<p>"Girl's Club - Unity in our Community" The Girls' Club noon hour group will meet a minimum of once a month over the course of the school year. The purpose is to encourage unity and promote acceptance amongst aboriginal and non-aboriginal communities in order to strengthen the school's unity, develop leadership amongst the girls, and reduce the dropout rate in order to prevent sexual exploitation.</p>	\$1,300	Mission

Human Trafficking & Sexual Exploitation	Boston Bar First Nation	<p>"Girl Power" Funding will support a leadership building project for women and girls focused on rediscovering traditional sites and practices of the Boston Bar First Nations in order to bring women together in pride and solidarity. The group will address the disconnect from traditional practices to empower aboriginal girls and women by building positive self-image and promoting self-acceptance in order to prevent sexual exploitation and human trafficking.</p>	\$8,800	Boston Bar
Human Trafficking & Sexual Exploitation	Children of the Street Society	<p>Children of the Street Society (COS) This funding will allow COS to enhance community support and awareness programs as well as facilitated interactive workshops in schools and communities throughout the province. COS will work in partnership with the provincial government, law enforcement, boards of education, community service providers and others to implement school and community presentations focused on the prevention of sexual exploitation, human trafficking of youth and staying out of gangs. Support, assistance and referrals to appropriate resources will be provided to parents and families, service providers and school staff of sexually exploited youth and children at risk for sexual exploitation and gang recruitment.</p>	\$75,000	Province-wide
Human Trafficking & Sexual Exploitation	Deborah's Gate	<p>Outreach Worker - Deborah's Gate Deborah's Gate will provide an on-call worker for coordination of trafficked and sexually exploited youth and women to connect to appropriate supportive resources in the Lower Mainland. Deborah's Gate will also work with youth at risk of being sexually exploited or trafficked.</p>	\$75,000	Lower Mainland
Human Trafficking & Sexual Exploitation	Servants Anonymous Society	<p>Case Co-ordinator For Human Trafficked Women and Girls This funding will be used to support women who have escaped sexual exploitation through human trafficking.</p>	\$25,000	Surrey
Human Trafficking & Sexual Exploitation	Covenant House	<p>Outreach, Case coordination, and Support for Sexually Exploited Youth and At-risk Youth This funding will go towards supporting youth at risk of human trafficking and sexual exploitation, including by connecting youth to other resources in the community.</p>	\$25,000	Vancouver

Human Trafficking & Sexual Exploitation	Prince George & District Elizabeth Fry Society	<p>Enhanced Case Coordination</p> <p>This funding will be used to enhance case coordination and outreach among community partners with regards to vulnerable victims and cases involving human trafficking, sexual exploitation and sexual assault.</p>	\$25,000	Prince George
Human Trafficking & Sexual Exploitation	Mission Community Services Society	<p>"Liaison Relationship Project"</p> <p>This project is focused on preventing sexual exploitation and human trafficking of vulnerable Aboriginal women and girls through early intervention and enhancement of key protective factors, including cultural connectedness. Building on an expansion of the Youth Sex Outreach Worker role as well as partnerships with the Mission Aboriginal Friendship Centre, the urban Elder community, and Fraser Valley Aboriginal Children and Family Services Society, this 12-month project will seek to empower participants by: establishing positive relationships between participants, elders and outreach workers; supporting a sense of trust and self-confidence among participants; and, increasing awareness and access to key support services through the delivery of culturally sensitive learning sessions.</p>	\$25,000	Mission
Human Trafficking & Sexual Exploitation	Trails Crossing Friendship Centre	<p>"Girls Speak Out"</p> <p>This project focuses on providing a low barrier support group for Aboriginal women and girls who face heightened vulnerability to violence and sexual exploitation due to experiences of abuse, problematic substance use and/or mental health concerns. The program will run 12 weeks, and will seek to enhance protective factors by unpacking the stigma related to participants' experiences of violence, exploring adaptive and maladaptive coping mechanisms, increasing participants' sense of belonging, and enhancing connection to community, culture, and local services.</p>	\$7,040	Hope

Human Trafficking & Sexual Exploitation	WISH Drop-In Centre Society	<p>"Aboriginal Support Worker for Women in the Survival Sex Trade" As part of WISH's strategy to improve the health, safety and well-being of Aboriginal women in the survival sex trade, an Aboriginal Support Worker position will be funded to provide individualized services to WISH participants, over 50% of which are Aboriginal. The Aboriginal Support Worker will work with women one-on-one to provide: a safe point of contact for service access; culturally relevant emotional support; referrals to counselling services, housing, and mental health and/or substance use services; transition supports for those wishing to leave the Downtown Eastside and reconnect with their family/community; and, individualized support for those exiting sexually exploitive situations.</p>	\$25,000	Vancouver
Human Trafficking & Sexual Exploitation	Wachiay Friendship Centre	<p>"I'm Not For Sale" The RCMP and WFC will partner with School Districts 71 & 72 to raise awareness and increase knowledge of human trafficking and sexual exploitation. Together, they will develop and deliver presentations on sexual exploitation and human trafficking of girls and women to high school students in the region. The presentations, which will be based on the RCMP's "I'm not for Sale" campaign will include workshops, guest speakers, and distribution of educational materials.</p>	\$24,075	Courtenay
Human Trafficking & Sexual Exploitation	West Coast Domestic Workers' Association	<p>"Raising Awareness about Labor Trafficking in Migrant Women Communities" This project will raise awareness and increase knowledge in order to prevent and better respond to the issue of labour trafficking in remote BC communities. Focusing on female migrant workers, including live-in caregivers, WCDWA will develop and distribute information brochures, as well as facilitate 5 public legal education workshops on immigration and legal rights in Prince George, Fort St. John, Dawson Creek, Kamloops and Cranbrook. WCDWA will also work with support agencies in these communities to increase staff capacity to employ effective prevention and response measures.</p>	\$25,000	Province-Wide

Violence Against Women	Ending Violence Association of BC	<p>"Serving The Needs Of Vulnerable Women In BC: Building The Capacity of BC's Victim Serving Response System"</p> <p>Ending Violence Association of BC will develop and deliver 7 key training activities for front-line Community-based Victim Service Workers, Stopping the Violence Counsellors, and Outreach and Multicultural Outreach workers to ensure services are accessible and responsive to the needs of vulnerable women, children and individuals. The training will also ensure that service providers have the necessary skills and strategies to support clients through the criminal justice process.</p>	\$250,000	Province-wide
Violence Against Women	BC Society of Transition Houses	<p>BC Society of Transition Houses</p> <p>BC Society of Transition Houses will develop and deliver training to Children Who Witness Abuse counsellors throughout BC. Training will be delivered through a combination of in-person sessions, online training, webinars and curriculum based materials.</p>	\$150,000	Province-Wide
Violence Against Women	Police Victim Services of BC Association	<p>Police-Victim Services of BC</p> <p>Police Victim Services of BC will develop and deliver a series of training workshops for front-line Police-based Victim Service Workers to ensure services are accessible and responsive to the needs of vulnerable women, children and individuals. Police-based Victim Service Workers will be provided with the necessary skills and strategies to support clients through the criminal justice process.</p>	\$150,000	Province-wide
Violence Against Women	Ending Violence Association of BC	<p>Indigenous Community Safety Project</p> <p>This funding will expand the reach of the Indigenous Community Safety Project. The project will provide knowledge sharing to Aboriginal leadership (including governance leadership, service providers and the natural leadership) in Aboriginal communities (First Nations and urban Aboriginal communities) related to criminal justice, family justice and child protection laws, policies and practices that directly affect police and government responses to domestic and sexual violence and child abuse and neglect.</p>	\$150,000	Province-Wide
Violence Against Women	WAVAW Women Against Violence Against Women	<p>Enhanced Services and Awareness</p> <p>This project will increase supports to sexual assault survivors through the hiring of a part-time Victim Service Worker. In addition, violence prevention educational outreach events will be held including workshops, talks, information tables and outreach events focusing on prevention of violence against women and promotion of the 24 Hour Crisis Line. Two one-day training sessions will also be held for high school teachers on violence prevention.</p>	\$50,000	Vancouver

Violence Against Women	Victoria Women's Sexual Assault Centre	Enhanced Services The project will enhance frontline service delivery to survivors of sexualized violence in Victoria by increasing the capacity (hours of service) of a Justice Support Worker, Crisis Support Worker and the Sexual Assault Response Team (SART).	\$50,000	Victoria
------------------------	--	---	----------	----------

Youth Crime Prevention

Youth Crime Prevention	ACCESS Youth Outreach Services Society	<p>"Project Reach Out - Langley"</p> <p>Funding will support an after hours mobile drop in bus and outreach program serving youth 12-18 years of age. The bus operates Friday and Saturday nights and maintains a presence in youth "hot spots". Over 35% of contacts for outreach are with First Nations youth.</p>	\$20,000	Coquitlam
Youth Crime Prevention	MISCELLANEOUS Productions Society	<p>"Haunted House"</p> <p>Haunted House is an innovative project that will involve at risk youth in filmmaking and production. Youth include Indigenous/Aboriginal and immigrant homeless youth, sexually exploited youth, youth coping with bullying, youth dealing with mental wellness issues (including suicidal ideation), youth in foster care and youth exiting gangs. Through this project, youth participants will receive training, support, counselling and direct opportunities to acquire concrete skills, tools, knowledge and experience – not only in creating and presenting creative work in a professional cultural context, but also more generally in managing their lives, and working as part of a team to see multiple projects to completion.</p>	\$15,000	Vancouver
Youth Crime Prevention	Leave Out Violence (LOVE) Society BC	<p>"LOVE Leadership Program"</p> <p>The Leadership Program will bring together Metro Vancouver youth (ages 13-19), who face multiple barriers (are "at-risk"), and engage them in weekly media arts and leadership skills training as part of a larger violence prevention program. In the Program, youth gain practical employment and volunteer experience through designing, delivering, and evaluating short and long-term workshops for other young people around topics such as bullying and systemic violence, physical violence, dating violence, gang violence, etc.</p>	\$17,500	Vancouver
Youth Crime Prevention	The KidSafe Project Society	<p>"KidSafe Young Leaders Program"</p> <p>KidSafe's Young Leaders program is a free summer leadership program that serves 50 vulnerable, professionally referred youth aged 11-13 from six designated inner-city elementary schools, for eight weeks over summer break. Led by a team of caring adult mentors, participating youth will take part in diverse workshops and activities designed to build self-esteem, develop leadership and peer relationship skills, prepare for high-school transition, promote citizenry and increase job readiness.</p>	\$20,000	Vancouver

Youth Crime Prevention	Inner City Youth Mental Health Program	<p>"Inner City Youth Vocational Support Project"</p> <p>This project will seek to prevent youth involvement in crime by working with at-risk street involved youth enrolled in the Inner City Youth Mental Health Program (ICYMHP) to identify and engage in vocational and educational opportunities currently available to them. ICYMHP is multidisciplinary in nature, with psychiatrists, social workers, occupational therapists, nurses, and a nurse-practitioner providing services to youth. ICYMHP uses an intensive case management approach to providing services to these at-risk youth.</p>	\$20,000	Vancouver
Youth Crime Prevention	Frog Hollow Neighbourhood House	<p>"Frames Film Project"</p> <p>Since its inception, the Frames Film Project has worked with a wide range of at-risk youth, many of them with some exposure to the criminal justice system. This project will engage youth in pro-social, arts-based activities and provide mentorship for these youth. 20 youth will be served through this project.</p>	\$20,000	Vancouver
Youth Crime Prevention	Old Massett Village Council	<p>"Hlaa.uu tlaan kaadlljaawasang "I am going to be the Leader" - T'aalan Stl'ang Cultural Camp"</p> <p>This project will involve a Haida cultural camp and education program where youth will learn important cultural skills and knowledge while acquiring new life skills, self-esteem and self-confidence. The project will involve partnerships with the Old Massett Youth Program, Haida Child and Family, the RCMP, and Old Massett Health Centre.</p>	\$18,250	Old Massett
Youth Crime Prevention	Tri City Movement Therapy Society	<p>"ACRIX Tri-Cities Suwa'lkh School Project"</p> <p>This project will support two 10-week ACRIX sessions each year; a fall session and a winter session. ACRIX is a program created by Gymnastics BC for at-risk youth combining the challenges of gymnastics, tumbling and balancing. Youth are identified through the alternative high school Suwa'lkh.</p>	\$7,553	Coquitlam
Youth Crime Prevention	Skeetchestn Indian Band	<p>"Mind over Madder"</p> <p>The project will address anger in all of its forms and focus on the well-being of young persons. The program will be adapted by Skeetchestn Indian Band. The program is based on the premise that anger can lead to crime and the trigger to many criminal offences. A six week group workshop will be designed, followed by a cultural camp for the youth.</p>	\$18,300	Savona (near Kamloops)

Youth Crime Prevention	Stó-lō Nation - Community Development Department	<p>"Sto:loNation KidStart Program" KidStart was developed by PLEA Community Services Society 27 years ago and has already been successfully replicated in Campbell River, Courtenay and Victoria. These programs serve Aboriginal youth from the communities served, but this is the first time that KidStart will be implemented with a specific Aboriginal focus. KidStart's goal is to provide each participant with the opportunity to develop a supportive relationship with a Volunteer Mentor who is a consistent and positive role model. Mentors plan weekly one-to-one activities in the community that will provide participants with experiences that foster a sense of personal achievement, reinforce their strengths and create new interests.</p>	\$20,000	Chilliwack
Youth Crime Prevention	Children of the Street Society	<p>"Youth Art Engagement Project (YAEP)" The Youth Art Engagement Project (YAEP) engages high-risk youth (ages 11-18) in education and the creation of an art project aimed at increasing awareness about sexual exploitation and human trafficking, while fostering youth leadership and youth voice. Youth participants select the type of creative project which may take the form of a visual art piece, poetry, and anything else they choose. Youth will participate in 2-hour sessions per week for nine weeks facilitated by Youth Facilitators who provide ongoing mentorship and guidance to participants.</p>	\$20,000	Coquitlam
Youth Crime Prevention	Board of Education of School District No. 36 (Surrey)	<p>"REACH (Recreation, Employment Readiness, After School, Citizenship, Healthy Lifestyles)" The Surrey School District in partnership with the RCMP, the City of Surrey and the YMCA, have created a pro-social, sport & recreation skill development, leadership and employment readiness program for at risk youth aged 15-18 called REACH (Recreation, Employment Readiness, After School, Citizenship, Healthy Lifestyles). REACH will be delivered by a Surrey School District Community Schools Outreach Worker at each of 4 inner city secondary schools twice per week throughout the school year.</p>	\$20,000	Surrey

Youth Crime Prevention	Adams Lake Indian Band	<p>"Mentoring Project to Address Youth Crime Prevention Through Social Development"</p> <p>The Adams Lake Indian Band will create a comprehensive program for youth that have had negative involvement with the criminal justice system. The program has five components: recreational activities, cultural events, employment programs, alternative school program and mentoring with positive peers and adults. The Adams Lake Indian Band Health Department, RCMP, schools and elders will partner for the program.</p>	\$20,000	Chase
Youth Crime Prevention	Ridge Meadows Youth & Justice Advocacy Association	<p>"Personal Accountability Program"</p> <p>This project will take place in the Maple Ridge and Pitt Meadows school districts and will serve a population of youth that is currently falling through the cracks in the public school system. It will be implemented in a classroom setting and will address the certain behaviours and life situations that put select youth ages 12 to 17 at a higher risk of criminal behaviour. The program will be based on a curriculum designed to be disseminated over eight weeks to youth identified by community partners and senior level school officials as being more likely to commit a criminal offence.</p>	\$10,682	Maple Ridge
Youth Crime Prevention	School District #53 - Okanagan Similkameen	<p>"Gateway to Trades Program"</p> <p>At-risk youth will be provided with an opportunity to participate in a 12 week program that will introduce them to the trades. The program will be done in partnership with the Okanagan College. The program will expose students to a variety of trades in the construction field with the hopes that they will pursue one of the trades through further education, or try to gain employment in the field. Upon completion of the program, students may apply directly for employment training or to a post-secondary Trades Foundation program.</p>	\$20,000	Oliver
Youth Crime Prevention	School District 69 Qualicum	<p>"The Connection"</p> <p>An outreach bus will travel to outlying community areas to connect service providers with youth to develop positive relationships, provide information, make referrals and provide support. In addition to connecting with youth, the bus will provide transportation for the youth into town so they are able to gather at the Family Place. Youth will then have opportunities for support with homework and resume building. The Family Place is a joint facility shared by the Ministry of Children and Family Development, Child Youth Mental Health, School District #69, Building Learning Together and Island Health- Youth and Family.</p>	\$20,000	Parksville

Youth Crime Prevention	Richmond Addiction Services Society	<p>"Recovery School Program" Richmond Addiction Services Society (RASS) will be developing and implementing a program that will support youth in early recovery, The project will utilize resources such as the Richmond Outreach Program teachers within the Richmond School District, the homework club and skill development program in connection with Richmond Youth Services Agency, the Street Smarts Program (Touchstone Family Association), and the Trauma And Sexual Abuse program (TASA - Family Services of Greater Vancouver, FSGV). The project will hire a support worker to provide intensive case management as well as provide support for school reintegration and counselling.</p>	\$20,000	Richmond
Youth Crime Prevention	McLeod Lake Indian Band	<p>"Aboriginal Youth Re-Connect Program" The Aboriginal Youth Re-Connect Program will engage thirteen young people of the McLeod Lake Indian Band (ages 12-17) in meaningful and pro-social activities that will enable them to develop a sense of social responsibility. A mentor will work two afternoons per week to help the youth with homework, involve them in after school activities, and coordinate activities with elders. At the end of the mentorship program, youth will take part in a cultural camp. Partners for the program include the RCMP, Mackenzie Secondary School and other first nations in the area.</p>	\$20,000	McLeod Lake
Youth Crime Prevention	Threshold Housing Society	<p>"Self-worthshops for At-Risk Youth" This project will focus on youth who are often on the street and homeless. Youth will learn skills that will assist them in their transition, including by encouraging them to build a healthy lifestyle and building their self-esteem and self-worth. A youth-friendly life coach will assist youth with this journey.</p>	\$20,000	Victoria
Youth Crime Prevention	College of New Caledonia	<p>"Vanderhoof Youth Centre" The Vanderhoof Youth Centre ensures that youth have somewhere to go to after school during the critical hours between 3:00 and 6:00pm. The Youth Centre provides a safe, culturally diverse and inclusive environment for youth that offers programming, supervision, mentoring and referrals for youth in need of assistance.</p>	\$20,000	Vanderhoof

Youth Crime Prevention	INEO Employment Counselling Inc	"My Community/My Choices" INEO Employment Counselling will provide skill enhancement and increased employment opportunities for at-risk youth. The intensive employment program project will teach job search skills, personal awareness through career assessments, and job skills training to increase personal confidence, self-esteem and goal setting behaviors in youth.	\$18,309	Port Alberni
Youth Crime Prevention	Vancouver Police Department	Vancouver Police Department Community Cadet Program This program will offer youth an opportunity to develop skills in a 24 week program that will include peer/adult mentorship; pro-social educational workshops and recreation. The program will develop teamwork, leadership and other skills that the youth will be able to use throughout their lifetime.	\$180,000	Vancouver
Youth Crime Prevention	Justice Institute of British Columbia	"Life Outside the Box" - JIBC will host a series of crime prevention workshops with middle-school at-risk youth to overcome social pressures from others, and to think about their futures. Youth will create comics and engage in activities to think "outside the box".	\$100,000	Province-Wide
Youth Crime Prevention	Me to We/Free the Children	"Stand Up" - This project will build on the Stand Up bullying and leadership program that provides youth with a safe space to discuss issues and build leadership skills.	\$100,000	Province-Wide
Youth Crime Prevention	Community Justice Initiatives	Youth Crime and Restorative Justice The project will involve four regional symposiums, each promoting best practices of restorative justice as it operates in the Vancouver Island Region, Lower Mainland Region, Okanagan/Kootenay Region and North/Central Region. Focus in each region will be to empower communities and government to engage with the implementation of restorative justice practices and the criminal justice system in ethically sound, innovative and effective ways, especially as it relates to youth who are involved in the criminal justice system.	\$100,000	Province-Wide
Youth Crime Prevention	Prince George School District	"Stand Up" Youth Forum A forum will be held for many BC youth that have participated in the "Stand Up" anti-bullying program.	\$20,000	Prince George

Youth Crime Prevention	Mission Parks, Recreation & Culture	<p>"Mission Possible"</p> <p>Mission Parks, Recreation and Culture will engage 20-40 at-risk youth in pro-social activities, including skill enhancement, cooking classes, resume building, and career exploration. The project will also promote the development of at-risk youth's relationships with positive peers and adults. The focus of the program will be on disconnected youth who frequent the Leisure Centre and other community venues.</p>	\$18,860	Mission
Youth Crime Prevention	Equitas - International Centre for Human Rights Education Society	<p>"Speaking Rights: Engaging At-Risk Youth, Preventing Involvement in Crime"</p> <p>This project will support 60 youth in Vancouver who are at-risk of involvement in crime. Over the course of 12 months, they will take part in 5 capacity building, pro-social workshops that focus on positive values (inclusion, respect, fairness, acceptance). The workshops will build skills in leadership, peaceful conflict resolution, decision-making, and awareness of the impact that youth attitudes and behavior can have on those around them. The project will culminate in three groups of youth each developing and leading a community action project to look at an issue related to prevention of crime in their community.</p>	\$20,000	Vancouver
Youth Crime Prevention	PLEA Community Services Society of BC	<p>"Career Path"</p> <p>PLEA's Career Path project will provide employment and mentorship to young people, ages 15 to 18, who are identified as gang members, affiliated with criminal associates, or at high risk of gang involvement. Designed for both young men and women, the project combines intensive one-to-one support and supervision, a 10-week job placement, employer mentoring and a range of training and educational opportunities.</p>	\$20,000	Vancouver
Youth Crime Prevention	City of Surrey	<p>"Youth Engagement Program (YEP) for Guildford"</p> <p>The Guildford Recreation Centre will hire staff to work with local schools, community partners, neighboring building complexes, and local businesses to enhance services offered to at-risk youth in Surrey. The services will include outreach as well as recreational opportunities for the youth.</p>	\$16,290	Surrey

Youth Crime Prevention	Boys & Girls Club Services of Greater Victoria	<p>"Growing Skills"</p> <p>The Boys & Girls Club in Greater Victoria will utilize an Outdoor Centre as a learning centre for introducing youth to potential employment or education opportunities in the fields of agriculture or horticulture, landscaping and environmental stewardship. In addition, youth will be engaged in pro-social activities that encourage cooperation, appropriate expression of emotion, empathy and understanding. The youth will be recommended by probation officers who will use the SAVRY (Structured Assessment of Violence Risk in Youth) model to identify those youth who would benefit most from the program.</p>	\$19,013	Victoria
Youth Crime Prevention	Surrey School District - Foundations Program	<p>"Criminal Justice Case Manager"</p> <p>Surrey School District will hire a criminal justice case manager for youth with developmental disabilities in Surrey. The case manager would work closely with Surrey School District staff and members of Surrey's criminal justice system to identify and support youth with developmental disabilities who are, or who may become, involved in the criminal justice system. The criminal justice case manager will meet with youths to identify precipitating factors for their involvement with the criminal justice system and develop a plan of intervention to address these factors.</p>	\$20,000	Surrey
Youth Crime Prevention	Abbotsford Community Services Society	<p>"Mentors for At-risk Ethnic Minority Youth"</p> <p>The Abbotsford Community Services Society will recruit, train and screen 25 positive adults of various ethnic backgrounds from Abbotsford to volunteer with youth at high risk of gang or criminal involvement.</p>	\$20,000	Abbotsford
Youth Crime Prevention	Penticton Community Policing, City of Penticton	<p>"Changing Impossible to I'm Possible!"</p> <p>This project brings together a range of community partners to address the issue of the involvement of disconnected youth in criminal activity. Youth will be involved in bi-weekly sessions which will include classroom sessions, outdoor activities, community building and volunteer experiences. RCMP, Ministry of Children and Families, School District 67, Penticton Restorative Justice Program and the City of Penticton are among the partners for this project.</p>	\$14,800	Penticton
Youth Crime Prevention	St. Leonard's Youth & Family Services Society	<p>"Engaging Youth"</p> <p>St. Leonard's will hire an additional youth outreach worker to engage with youth. The focus will be to increase at-risk youths' involvement in school, decrease their criminal behaviour and engage them in critical thinking and essential life skills.</p>	\$20,000	Burnaby

Youth Crime Prevention	Snuneymuxw First Nations	<p>"alhut: Building a Safe Community"</p> <p>This project will involve youth ages 10 and up and their families in developing awareness and skills to address bullying and lateral violence by developing leadership and resiliency skills. Following engagement with families, there will be six sessions with youth around negative behaviors. At the end of the project, youth that have demonstrated a desire will complete a 12 week resiliency and leadership program.</p>	\$17,300	Nanaimo
Youth Crime Prevention	Swan Bay Rediscovery Program	<p>"Canoe Journey - Ways of Knowing"</p> <p>This project will involve at-risk youth in programming and a canoe journey. It will incorporate physical activity, traditional knowledge and cultural activities. Activities will take place throughout the school year and will culminate in the canoe journey. Partners include the RCMP, school district, Skidegate Health Centre, and Northern Health Authority.</p>	\$20,000	Haida Gwaii
Youth Crime Prevention	Lake Trail School - School District #71	<p>"Giving Voice to Young Men"</p> <p>The event will bring 50-60 aboriginal and non-aboriginal young men, between the ages of 13-18, from the secondary schools in the Comox Valley School District, together in the K'omoks First Nation Big House. The project will address issues around the image of what a young man is in today's society and how that affects a young man's development, including leading him to violence, addictions, and involvement with the criminal justice system. A workshop will also raise awareness about the effects of residential school and show the young men what a healthy community and healthy relationships look like.</p>	\$1,500	Courtenay
Youth Crime Prevention	Two Rivers Crime Prevention Society - Prince George Community Policing	<p>"Strengthening Families - Guest Speaker Series"</p> <p>The Strengthening Families Program is an evidence-based prevention program for parents and children ages 6-16 in higher risk families. It consists of parenting skills, children's life skills, and family skills training courses. This project will add to the Program by supporting a "Guest Speaker" series, where guest speakers will attend the sessions.</p>	\$20,000	Prince George
Youth Crime Prevention	Literacy Quesnel Society	<p>"Community Youth Action Group"</p> <p>At-risk youth will meet for ten weeks to learn and discuss good citizenship, leadership and healthy community engagement. Following their meetings, the group will participate in team building and recreation activities, including a guided trip. Community partners for the project include RCMP Victim Services, the Ministry of Children and Family Development and other organizations in Quesnel.</p>	\$19,900	Quesnel

Youth Crime Prevention	Alberni Drug and Alcohol Prevention Services	"Youth Action Worker - Outreach" A youth action support worker will engage at-risk youth in Port Alberni on the weekends. Support will include crisis support and mentorship. The youth action support worker will involve youth who are at highest risk of crime in recreational, and skill enhancing activities.	\$19,351	Port Alberni
Youth Crime Prevention	Vancouver Police Department	"NASKARZ" This project (NASKARZ – Never Again Steal Cars) will create and enhance positive relationships between the Vancouver Police Department and inner city youth in Vancouver by working together to build a 1935 Ford Police Car. NASKARZ serves to engage at-risk youth in goal-oriented activities which could enhance employment skill and opportunities. The police mentors can assist youth both with the production of the vehicle and making connections for employment in mechanical or other trades.	\$20,000	Vancouver
Police Training and Equipment				
Police Training and Equipment	Police Agencies	Crime Prevention Funding to support police in their crime prevention activities including the Fugitive Return Program, enhanced training and the purchase of technical equipment.	\$479,081	Province-Wide

TOTAL FUNDING

\$5,276,326
