They will facilitate an Aboriginal justice council/court, healing circles, healing plans and a formalized Aboriginal restorative justice system. Additional supports will include re-integration from incarceration plans that facilitate healthy relationships within communities and family groups.	\$35,000	Cranbrook
Crime Reduction	Cowichan Women Against Violence Society	Men Choose Respect: Men Choose Respect is a nine session group for men who wish to learn alternatives to violence in relationships. The project is intended to help shift attitudes and beliefs and promote responsibility and improved capacity for safe, personal relationships.	\$35,000	Duncan

Civil Forfeiture & Criminal Forfeiture Grants 2016-17, \$5.56M

Category	Applicant	Project Description	Grant Amount	Community
Crime Reduction	Social Planning Cowichan	Enhancing Resilience and Reducing Risk for Youth in the Cowichan Valley: The project will engage and train five to seven youth mentors/facilitators from Safe Youth Cowichan to mentor, engage and deliver workshops/consultations with support from Safer Futures coordinators to three inner city schools that have high representation of youth considered at risk.	\$34,533	Duncan
Crime Reduction	Karis Support Society	Karis Support Society Aftercare Program: This project will assist clients with addictions and mental health issues in transitioning into the community, building connection within the wider community, while maintaining consistent support through a Karis Aftercare worker.	\$35,000	Kelowna
Crime Reduction	Nelson Community Services Society	Downtown Nelson Street Outreach Project: This project will bring together a team of two community-based street outreach workers, three student nurses, and one peer outreach worker to work with community professionals to help address the needs of those living on the street, connect them to community resources, and help improve relationships among the community in relation to issues of homelessness.	\$35,000	Nelson
Crime Reduction	RCMP - Nelson	Fitness for youth at risk: This project will engage youth involved in crime who have been identified by RCMP, Probation, Salmo High School and the Salmo Youth Center in a recreational fitness program. Youth will receive physical fitness memberships, a training schedule for six months at the Satmo Recreation Center, and support and leadership from the RCMP.	\$2,147	Nelson
Crime Reduction	Board of Education of School District No. 69 Qualicum	Growing Connections: This project will use a wraparound approach to support youth at high-risk of involvement in crime as a result of addiction and housing issues. The program connects vulnerable youth with resources related to stable housing and other basic necessities; school and employment; and mental health, addictions and family counselling.	\$35,000	Parksville/Qualicum

Civil Forfeiture & Criminal Forfeiture Grants 2016-17, \$5.56M

Category	Applicant	Project Description	Grant Amount	Community
Crime Reduction	Pathways Addictions and Resource Centre	D.E.W.Y Program (Daily Empowerment With Youth): This project will provide structured individual and group treatment services for youth to enhance mental wellness and healthy decision-making. The project will also help youth to develop skills which will assist them with reintegration into school and the community.	\$34,971	Penticton
Crime Reduction	Alberni Valley Drug and Alcohol Prevention Service	“BRAVE (Building Resiliency Action Values and Engagement) Youth Outreach Project”: This project will focus on delivering support services to youth who are at high risk of involvement in crime. Recreational activities, skill enhancing group opportunities and one on one outreach/crisis support will address detriments and support asset development for at risk youth.	\$19,716	Port Alberni
Crime Reduction	Pacheedaht First Nation	Pacheedaht Youth Crime Prevention Project: The project will embark on the construction of the first phase of a skate park for at-risk youth ages 13 to 18 and will increase the hours of a part time Aboriginal outreach worker to work with youth at risk.	\$35,000	Port Renfrew
Crime Reduction	Tsay Keh Dene Nation	Sulla Din Jih (Set Me Free) Healing Camp: This project will provide a four week Aboriginal healing cultural camp for offenders at Fishing Lakes Lodge with elders and counselling staff. Traditional Aboriginal cultural activities along with counselling support will be provided to attendees.	\$35,000	Prince George
Crime Reduction	Canadian Mental Health Association Prince George Branch	After Release Peer Support: This project is designed to provide peer support services both individual and in a group setting to individuals who have been newly released back into their community from the provincial prison system but who often lack the supports necessary to implement the healthy steps required to achieve their best level of functioning.	\$35,000	Prince George

Civil Forfeiture & Criminal Forfeiture Grants 2016-17, \$5.56M

Category	Applicant	Project Description	Grant Amount	Community
Crime Reduction	Phoenix Transition Society	Working with Women with mental health and addictions issues: This project will provide services to women and their children, women in prison, and women struggling with addictions and mental health issues. The project will work with incarcerated women who have committed crimes to obtain drugs/alcohol to "self medicate".	\$33,535	Prince George
Crime Reduction	Metro Vancouver Crime Stoppers	First Nations Crime Stoppers Program, Building a Healthy and Safe Community: This project will strengthen inter-agency collaboration and information-sharing to address existing crime and safety issues within First Nations communities and will increase the capacity to identify priority/critical crime issues and is designed to identify, contain and reduce any unreported existing crime problems in First Nations communities.	\$30,000	Province-wide
Crime Reduction	The Salvation Army	Living Hope: Refresh Barista Employment Program For Gang Involved Female Youth: This 52 week early intervention and rehabilitation project for gang involved female youth will focus on providing accessible multi-session education, volunteer opportunities, and employment skills for up to 20 high risk female (and transgender presenting female) youth ages 16 to 25 who have engaged in gang activity or experienced exploitation.	\$35,000	Province-wide
Crime Reduction	The John Howard Society of the Lower Mainland	Reintegration Worker: The Reintegration Project will work with federally incarcerated individuals who are transitioning back into the community with the support of a reintegration worker. The reintegration worker will work with individuals who are higher risk of recidivism and continued involvement in crime by bridging the gap that exists between their needs and their ability to access services prior to and following their release.	\$35,000	Province-wide

Civil Forfeiture & Criminal Forfeiture Grants 2016-17, \$5.56M

Category	Applicant	Project Description	Grant Amount	Community
Crime Reduction	School District No. 19 (Revelstoke)	Working toward a positive future: This project will develop a community roundtable to identify youth at risk and plan individualized multilateral interventions, intervene with youth who have been in contact with the criminal justice system through an individualized 13 week program with a youth care worker, and provide school and community resource people professional development opportunities to learn about working with vulnerable youth.	\$32,500	Revelstoke
Crime Reduction	Richmond Addiction Services Society (RASS)	The RASS Day Program: A Continuum of Services: This project will offer day programming for youth in Richmond who are struggling with substance use and mental health issues. The program includes a variety of supports such as understanding personal needs and responsibilities, learning coping skills, identifying personal challenges and how to manage them, and developing connection to supports and services.	\$35,000	Richmond
Crime Reduction	Shuswap Area Family Emergency Society	Strengthening Interagency Co-ordination: This project will hire a Crime Reduction Coordinator to help strengthen interagency collaboration, identify systemic challenges and increase information sharing between the stakeholders that are directly involved in working with cases of domestic violence, sexual assault, and child abuse.	\$9,300	Salmon Arm
Crime Reduction	SOS Children's Village BC Society	The SOS Youth Inclusion Project: This project will identify priority crime issues in Surrey, focus on mental health and addiction issues and their intersection with crime, address prolific and priority offenders and gang activities, as well strengthen inter-agency collaboration and information sharing to address existing crime through focusing on high-risk youth or youth currently in the criminal justice system.	\$35,000	Surrey

Civil Forfeiture & Criminal Forfeiture Grants 2016-17, \$5.56M

Category	Applicant	Project Description	Grant Amount	Community
Crime Reduction	Society of Semiamhoo Animal League	WRAParound Animal Therapy: The C.A.R.E. Program will work with high at-risk vulnerable teenage girls currently involved in the Surrey School District's wrap program through horticultural and animal-assisted-activities. Through two 10 week sessions and one 5-week session SALL's Farm will bring small groups of girls from the Surrey School District's WRAParound program to take part in animal assisted activities.	\$20,000	Surrey
Crime Reduction	Tahltan Band Council	Land-Based Crime Reduction: This project will enhance programs already in place in Dease Lake and Telegraph Creek and will expand to include four land-based retreats focusing on trauma, mental health, coping techniques, relationship building, conflict resolution and stress management. Participants include male and female offenders who are being integrated back into the community and will provide an opportunity for offenders to reconnect with their heritage and develop healthy long-term care plans.	\$35,000	Telegraph Creek
Crime Reduction	Yo Bro Youth Initiative Society	One-to-One Outreach Program Expansion Initiative: Through this one-year pilot project, a dedicated outreach worker will deliver solutions-focused support to youth and families and increase the capacity of schools and community service agencies to respond more effectively to the needs of a severely at-risk youth.	\$35,000	Vancouver
Crime Reduction	Frog Hollow Neighbourhood House	Frames Film Program: This project is an innovative, arts engagement approach to providing training, support and a voice to at-risk youth ages 16 to 24. Using film as an artistic medium, youth receive life, employment, and technical skill building workshops leading to the creation of film pieces expressing their ideas for crime prevention.	\$20,000	Vancouver

Civil Forfeiture & Criminal Forfeiture Grants 2016-17, \$5.56M

Category	Applicant	Project Description	Grant Amount	Community
Crime Reduction	BC Borstal Association	STRONG: Stay True Real Original and No Gangs: The STRONG program will provide youth access to clinical counselors who will apply trauma informed practices and concepts such as attachment theory, self-esteem, accountability, emotional regulation and mentorship in tackling criminal behaviour. STRONG will be a resource to those high risk youth who want to get back on track, but who do not know how.	\$35,000	Vancouver
Crime Reduction	Vancouver Police Department - Diversity and Aboriginal Policing Section	ARC Program: This project will establish and/or increase the number of positive relationships between high-risk Aboriginal youth and law enforcement officers through one-to-one leadership and mentorship from police officers, which in turn will help to decrease the likelihood of criminal involvement.	\$20,567	Vancouver
Crime Reduction	Grandview-Woodland Community Police Office Society	RestART: The project will serve 11 youth (ages 14 to 18) at high-risk of involvement in crime or youth that may already have been engaged in criminal activity in their communities. Youth will create a cohesive artwork piece that will be displayed on City of Vancouver traffic boxes and will participate in a restorative justice workshop, where they will learn accountability and taking responsibility for their actions.	\$7,500	Vancouver
Crime Reduction	Vancouver School Board (Windermere Secondary)	Windermere Boys Group and Girls Group Programs: This 40 week program will support 40 at risk youth through a weekly after school boys group and girls group program, which will include workshops, recreational activities, leadership development, community service and a legacy project. The youth will be selected in response to serious problems with gang involvement, recruitment and criminal activity including violence and drug dealing.	\$35,000	Vancouver

Civil Forfeiture & Criminal Forfeiture Grants 2016-17, \$5.56M

Category	Applicant	Project Description	Grant Amount	Community
Crime Reduction	Providing Alternatives Counselling & Education (PACE) Society Vancouver	Link & Support Model for Addiction Treatment for Sex Workers: The project will provide funding for a support worker to link sex workers in Vancouver's Downtown Eastside with addictions treatment. Program staff will work in connection with community partners to provide direct referrals to addiction care programs, provide support to assist sex workers in accessing addiction treatment, as well as provide peer support through weekly focus groups.	\$35,000	Vancouver
Crime Reduction	Canadian International Dragon Boat Festival Society	Dragon Zone Youth Crime Reduction Program: This project will engage youth at high-risk of involvement in crime in twice weekly dragon boat paddling and war canoe building sessions. The project will help youth build self esteem, create cultural connections between participants and observers, connect participants with peers and mentors, and provide meaningful life skills and valuable work experience to participants.	\$35,000	Vancouver
Crime Reduction	Boys and Girls Club of Williams Lake	Future Forward: In collaboration with Punky Lake Wilderness Camp Society, Changing Directions, Restorative Justice and the RCMP, this project will help reduce crime by providing protective factors to youth who are at-high risk of involvement in crime and recidivism. This will be accomplished primarily by addressing the criminogenic needs of participants through personalized mental health supports, training, skill building, and work experiences.	\$29,920	Williams Lake
Crime Reduction	Punky Lake Wilderness Camp Society	Youth at Risk: Culturally-based Entrepreneurial Diversion Project: This project will provide opportunities for training, support and employment for 10 to 12 at-risk youth or those involved in the criminal justice system in the remote First Nations community of Tl'etinqox. The project will include cultural supports for youth to maintain or rebuild connections to traditional cultural practices.	\$34,946	Williams Lake

Civil Forfeiture & Criminal Forfeiture Grants 2016-17, \$5.56M

Category	Applicant	Project Description	Grant Amount	Community
Crime Reduction	Williams Lake Indian Band	T'exelc providing Youth the Opportunity to Persevere and Succeed (T.O.P.S): This project engages gang involved youth in a part time life skills/work skills program on a ranch owned by the Williams Lake Indian Band (T'exelc). Youth will participate in the program three to four days a week for four to five hours per day, during which a youth worker will facilitate life skills development, as well as work alongside the youth to learn about ranch work and caring for animals.	\$35,000	Williams Lake
Enhancing Community Safety	City of Surrey	End Gang Life Gang Exit Pilot Program: This project will develop, implement and evaluate a two year pilot project to support adult gang members, 18 years of age and older, who are looking to exit the gang lifestyle in the Lower Mainland.	\$500,000	Surrey
Enhancing Community Safety	Punky Lake Wilderness Camp Society	Cariboo-Chilcotin Integrated Community Safety Initiative- Evaluation: This two year project will manage funds to develop and implement an evaluation of the Cariboo-Chilcotin Integrated Community Safety Initiative (ICSI) on behalf of the ICSI Steering Committee.	\$50,000	Williams Lake
Enhancing Community Safety	Punky Lake Wilderness Camp Society	Cariboo-Chilcotin Integrated Community Safety Initiative: This two two year pilot project will respond to critical public safety concerns for many of the communities in the region and will bring together different levels of government (First Nations, local, and provincial), as well as non-government agencies, to prioritize community safety goals, enhance interagency collaboration, focus resources and programs, and measure and evaluate outcomes.	\$450,000	Williams Lake
Guns & Gangs Strategy	Tl'etinqox Government	Tl'etinqox (Anaham) Youth 4 Leaders - Coordinator: This project will support the hiring of a youth coordinator in the community of Tl'etinqox (Anaham) to focus on building positive youth engagement and cultural connection to enhance community safety in Tl'etinqox and the Cariboo-Chilcotin region.	\$70,000	Alexis Creek

Civil Forfeiture & Criminal Forfeiture Grants 2016-17, \$5.56M

Category	Applicant	Project Description	Grant Amount	Community
Guns & Gangs Strategy	Metro Vancouver Crime Stoppers	Metro Vancouver Crime Stoppers Anti-Gang Tip Line and Cash for Guns Campaign: This campaign encourages individuals who know those who own illegal firearms to report them through the Crime Stoppers Anti-Gang Tip Line. The campaign includes radio and television PSAs, billboard and other advertisements, social media, and the development of a mobile app to reach interested parties and help get guns off the street.	\$200,000	Province-wide
Guns & Gangs Strategy	Combined Forces Special Enforcement Unit of BC	END GANG LIFE: The Combined Forces Special Enforcement Unit of British Columbia (CFSEU-BC) will create two new video series on women/girls and gangs and current and former gang members. The series will be used to create, advance, and encourage discussions about the impacts of gang and gun violence, create resiliency in youth and those at risk of becoming involved in gang/violent activity, and strengthen both the community's and police's ability to be empowered against gang/gun activity in B.C.	\$35,000	Surrey
Guns & Gangs Strategy	All Nations Consulting and Coaching Ltd.	Tl'etinqox (Anaham) Youth 4 Leaders (Y4L) Initiative: This project will support the three phase Y4L focusing on positive youth engagement and cultural connection to enhance community safety in Tl'etinqox and the Cariboo-Chilcotin region.	\$25,000	Terrace
Restorative Justice	Abbotsford Restorative Justice and Advocacy Association	Project Victim Care through Program Accountability: This project will build greater program accountability through enhancing existing policies and developing new policies and procedures. This project will address the need for increased staff time required to develop these formalized written policies and ensure implementation of the recommended standards for RJ Programs.	\$7,500	Abbotsford

Civil Forfeiture & Criminal Forfeiture Grants 2016-17, \$5.56M

Category	Applicant	Project Description	Grant Amount	Community
Restorative Justice	Community Justice Centre of the Comox Valley Society	Piloting the "Recommended Principles and Standards for Restorative Justice Providers in Criminal Matters" : This pilot project will see the implementation of the recent community-developed Recommended Principles and Standards for Restorative Justice in a large, rural, volunteer-run, Community Accountability Program. Activities will also include identifying barriers and developing potential ways to address these barriers.	\$7,500	Courtenay/Comox
Restorative Justice	Cranbrook and District Restorative Justice Society	Building Program Accountability for Cranbrook and District Restorative Justice : Cranbrook and District Restorative Justice Society will revise their operation manual and practices using the community-developed document, "Recommended Principles and Standards for Restorative Justice Providers in Criminal Matters".	\$7,500	Cranbrook
Restorative Justice	Fraser Region Community Justice Initiatives	Walking the Talk: Victim-Sensitive Standards at Community Justice Initiatives : Fraser Region Community Justice Initiatives (CJI) will translate many of its practical protocols into the concrete policies specifically in accordance with the new community-developed Recommended RJ Standards. CJI will designate specific staff time to the consultation, research and writing required to compose quality program policies.	\$7,500	Langley
Restorative Justice	Maple Ridge/Pitt Meadows Community Services	Restorative Justice Program Accountability Project : This project focuses on developing and documenting a comprehensive set of principles, standards and guidelines in accordance with the community-developed document, "Recommended Principles and Standards for Restorative Justice Providers in Criminal Matters". Resources that are developed will be shared with victims and clients, stakeholders, funders, and community partners.	\$7,500	Maple Ridge

Civil Forfeiture & Criminal Forfeiture Grants 2016-17, \$5.56M

Category	Applicant	Project Description	Grant Amount	Community
Restorative Justice	North Shore Restorative Justice Society	Restorative Response Practice Standards Project: This project will build program accountability for North Shore Restorative Justice Society (NSRJ) both internally and externally by educating and deepening key stakeholders' knowledge and use of victim-sensitive standards. Educating volunteers on practice standards will be a key focus. NSRJ will use the standards to evaluate program capacity, delivery, and facilitator training.	\$7,500	North Vancouver
Restorative Justice	Fraser Region Community Justice Initiatives	"Building Safe Bridges – Capacity Building for the Implementation of Victim Sensitive Standards in Restorative Justice: This project will support quality and consistency in experience for victims of crime who engage with restorative justice (RJ) programs through the implementation of standards guiding RJ service delivery. The project is provincial in scope and will work directly with restorative justice programs to implement standards in an effective and flexible manner.	\$35,000	Province-wide
Restorative Justice	Victoria Restorative Justice Society	Implementing Victim-Sensitive Standards Through Policy and Introductory Training: The Victoria Restorative Justice Society will focus on interpreting the newly-researched and community-developed "Recommended Principles and Standards" and creating a user-friendly manual of policies and procedures that outline how their agency will implement the principles and standards with clients.	\$7,500	Victoria
Restorative Justice	Victoria Restorative Justice Society	Victim-Sensitive Practices: Advanced Training and Evaluation Upgrades: This project will help Restorative Justice Victoria (RJV) improve their overall service delivery and evaluation system, produce a recommendation manual, and support other restorative justice (RJ) agencies to become more accountable. RJV will make revised evaluation forms available for other RJ agencies to download free of charge.	\$2,865	Victoria

Civil Forfeiture & Criminal Forfeiture Grants 2016-17, \$5.56M

Category	Applicant	Project Description	Grant Amount	Community
Youth Crime Prevention	Ann Davis Transition Society	Summer Training and Recreation Program (STAR): This project will provide healthy activities for at risk youth during the summer months and counselling during the school year to assist them to develop life skills, take on leadership opportunities and engage in pro-social activities. The project will also hire a youth counsellor for the summer months and a part-time a therapist or counsellor for the youth to access during the school year.	\$34,579	Chilliwack
Youth Crime Prevention	ACCESS Youth Outreach Services Society	Project ReachOut Mobile and Mall-based Outreach: This project will enhance the mobile drop in centre and outreach program for youth ages 12 to 23 through placing two outreach workers at Coquitlam Centre Mall and expand the program into Coquitlam, Port Moody, and Port Coquitlam. The project will provide structured activities for youth, build relationships, and support youth to stay in school.	\$35,000	Port Coquitlam
Youth Crime Prevention	Prince George Urban Aboriginal Justice Society	The Youth Diversion Enhancement Project: This project will provide a three-month youth diversion program for youth at high-risk or involved in crime with the aim of helping youth explore cultural connections and steer them away from criminal involvement. The project will also focus on youth mental health and addiction as it intersects with their crime, while also addressing illegal guns and gang activity.	\$30,335	Prince George
Youth Crime Prevention	MISCELLANEOUS Productions Society	MONSTERS – Final Production Phase: This project is designed to empower multi-barriered/at-risk, culturally and socially diverse young people through creative expression and cultural exploration, public speaking and free peer-to-peer youth workshops as vehicles to address the root causes of youth crime and gang involvement, foster healthy personal transformation and drive productive societal change.	\$35,000	Vancouver

Civil Forfeiture & Criminal Forfeiture Grants 2016-17, \$5.56M

Category	Applicant	Project Description	Grant Amount	Community
Youth Crime Prevention	Britannia Community Secondary School	Street2Peak: Inner-city youth trek Patagonia: This project will engage 22 high risk youth from Streetfront Alternate Program and Britannia Secondary School and provide them with physical and psychological training over the course of a year in preparation for trekking Southern Patagonia's Torres Del Paine. The project will also include opportunities for the youth to develop their leadership skills.	\$20,000	Vancouver
Indigenous Healing & Rebuilding				
Indigenous Healing & Rebuilding	Seabird Island Band	Healing the Spirit, Building the Strength - An Indigenous Women's Symposium: The Seabird Island Band will offer a series of three wilderness-based symposiums grounded in traditional cultural practices for First Nations women who have experienced complex trauma due to domestic violence, abuse or persistent unsafe situations.	\$19,995	Agassiz
Indigenous Healing & Rebuilding	Comox Valley Transition Society	Aboriginal Outreach Worker: In this project, 30 Indigenous women who have experienced violence will receive one-on-one support services from an Aboriginal Outreach Worker and have opportunities to participate in cultural activities such as cedar brushing, a sweat lodge, talking circles, traditional crafts, and will learn about Indigenous values of respect, love, kindness and generosity.	\$20,000	Courtenay/Comox
Indigenous Healing & Rebuilding	Upper Skeena Development Centre Society	Senden Summer Holistic & Healing Youth Program: This 22-week program that will help increase the mental and health well-being of at-risk youth and their family members through land-based traditional practices in the Upper Skeena region, including involvement in wild food harvesting, spending time on traditional territories, and growing local food.	\$20,000	Hazelton

Civil Forfeiture & Criminal Forfeiture Grants 2016-17, \$5.56M

Category	Applicant	Project Description	Grant Amount	Community
Indigenous Healing & Rebuilding	Circle of Indigenous Nations Society	Wookiye Maka - Aboriginal Women's Healing Conference: This project will bring together 30 Aboriginal women in the West Kootenay and Boundary region to gather for three days to experience land based healing using traditional ways and ceremonies, and will educate participants about the local land and medicines.	\$19,865	Krestova
Indigenous Healing & Rebuilding	Lower Fraser Valley Aboriginal Society	Women's Healing Circle: This project will hold a weekly Women's Healing Circle for Langley-based Indigenous women using the Medicine Wheel and the Seven Sacred Teachings as a foundation. The group's focus will be on women who self-identify as Aboriginal, Metis or Inuit, and who reside in Langley and the surrounding First Nations communities of Kwantlen, Katzie, Matsqui, and Semiahmoo.	\$20,000	Langley
Indigenous Healing & Rebuilding	Lillooet Friendship Centre Society	The Finding the Right Path to Healing Project: This project will convene a three day cultural healing retreat that will involve up to 75 victims of violence, abuse, and the residential school experience. It will encourage victims' families to participate and support individual victims. Participants will learn about resources, coping strategies and techniques while continuing on their healing journey after the retreat has ended.	\$20,000	Lillooet
Indigenous Healing & Rebuilding	Tillicum Lelum Aboriginal Society	Young Women's Wellness Program: This project will focus on reducing intergenerational cycles of violence and abuse in the Nanaimo Aboriginal community by raising awareness and building healthy relationships. Activities will engage and empower girls in efforts to prevent violence in families, relationships and the community.	\$16,900	Nanaimo

Civil Forfeiture & Criminal Forfeiture Grants 2016-17, \$5.56M

Category	Applicant	Project Description	Grant Amount	Community
Indigenous Healing & Rebuilding	Tseycum First Nation	Rebuilding WSIKEM SHIWER (Tseycum Leaders): This project will use art and carving and develop a print series where group participants can showcase their work, as well as participate in healing circles, in a mock restorative justice circle, and a training session focussed on self-esteem, positive, and healthy relationships. There will be work done in the natural environment, including hosting traditional fishing camps and attending longhouse ceremonies.	\$20,000	North Saanich
Indigenous Healing & Rebuilding	Nusdeh Yoh Aboriginal Choice Community School	Nusdeh Yoh (House of Future) Eagle Nest Camps: This project will run a three week First Nations culturally focused summer day camp that will incorporate cultural sensitivity, traditional teachings, and land based learning through a specific lens of addressing issues related to violence against indigenous women and girls, as well as developing a strong self-identity rooted in First Nations culture.	\$20,000	Prince George
Indigenous Healing & Rebuilding	Carrier Sekani Family Services	Highway Of Tears Supporting Families Project: This project will provide three day healing workshops for family members of missing and murdered victims and other victims who have experienced violent crimes in communities in the Highway 16 region. The project will also provide various supports to family members in their healing journeys.	\$20,000	Prince George
Indigenous Healing & Rebuilding	The Native Courtworker and Counselling Association of British Columbia	Caring for the Caregiver: This project will provide workshops and support for front line staff and courtworkers within an Indigenous context, using a holistic lens that gives consideration to all aspects of workers' needs. This project will provide an opportunity for front line staff and management to receive care for themselves so that they can continue to provide ongoing supports at a high level of professionalism and commitment.	\$19,555	Province-wide
Indigenous Healing & Rebuilding	BC Bereavement Helpline	Strong Women Moving Forward: This project will provide a healing retreat for bereaved Indigenous Women impacted by violence. The goal is to listen to and promote the wellness of families whose loved ones were the focus of the Missing and Murdered Women's Inquiry.	\$20,000.00	Province-wide

Civil Forfeiture & Criminal Forfeiture Grants 2016-17, \$5.56M

Category	Applicant	Project Description	Grant Amount	Community
Indigenous Healing & Rebuilding	Metis Provincial Council of BC (DBA. Metis Nation British Columbia)	Sashing our Warriors Campaign: This project will support individuals and the community to heal and rebuild as a whole through an honouring (sashing) ceremony representative of the Metis culture. Honouring individuals with a sash is a tangible means of expressing and preserving Metis identity and culture.	\$20,000	Surrey
Indigenous Healing & Rebuilding	Tahltan Band Council	Land Based Healing Camps: This project will host two land-based retreats available for community members on working with youth to teach them the Mehodihi (well known) ways of Tahltan culture, governance and the rites of passage and ceremony for Tahltan youth. The retreats will continue broader community cultural restoration to address the continuing inter-generational trauma families continue to experience in the territories.	\$20,000	Telegraph Creek
Indigenous Healing & Rebuilding	Yuutu?it?ath First Nation (Ucluelet First Nation)	Yuutu?it?ath First Nation Warrior Program: This project will help reconnect young men in the community to traditional language, beliefs, and customs. Weekly meetings and monthly retreats will engage men and elders in the community to become role models for others.	\$20,000	Ucluelet
Indigenous Healing & Rebuilding	Women Against Violence Against Women Rape Crisis Centre (WAWAW)	Aboriginal Women's Program: This project provides trauma-informed one-to-one counselling and support groups to Aboriginal women and girls who have experienced sexualized violence. These services are delivered using culturally appropriate and holistic approaches that attend to the mental, emotional, physical, and spiritual health of women.	\$20,000	Vancouver
Indigenous Healing & Rebuilding	Downtown Eastside Women's Centre Association	Culturally-Based Interventions for Healing and Recovery: This project will focus on traditional Indigenous healing, arts, and celebrations for Indigenous women who have been victims of violence. The project will include peer counselling supports, talking circles, sweat lodge visits, and healing circles.	\$20,000	Vancouver

Civil Forfeiture & Criminal Forfeiture Grants 2016-17, \$5.56M

Category	Applicant	Project Description	Grant Amount	Community
Indigenous Healing & Rebuilding	WISH Drop-In Centre Society	Aboriginal Culture and Creativity Program: This project will help facilitate healing and wellness among 20 marginalized Indigenous women involved in street-based sex trade who have experienced past or ongoing trauma. The project will provide participants with tools to cultivate mental, physical, and spiritual wellness through reclamation of cultural activities, culturally-safe/wellness-focused workshops, and culturally relevant outings.	\$20,000	Vancouver
Indigenous Healing & Rebuilding	Providing Alternatives Counselling & Education Society (PACE)	Indigenous Sharing Circle: This weekly Indigenous-led restorative justice program will help facilitate healing and justice among Indigenous women involved in sex work through healing circles, which aim to develop consensus on how to repair the damage caused by actions or offences, and supports available through PACE's Support Services Program.	\$20,000	Vancouver
Indigenous Healing & Rebuilding	Vancouver Coastal Health - Aboriginal Health	Necamat: Downtown Eastside Indigenous Women's Healing Fair: This project will help improve the physical, mental, emotional and spiritual health of Indigenous women living in Vancouver's Downtown Eastside (DTES) using traditional Indigenous healing methods. This project will hold a one-day Indigenous women's healing and wellness fair, including women elders and Indigenous healers from Coast Salish, Stl'atl'imx, and neighbouring First Nations.	\$19,400	Vancouver
Indigenous Healing & Rebuilding	Warriors Against Violence Society	Warriors Against Violence Family Healing Project: This project will help reduce domestic/family violence and abuse in the Aboriginal community by addressing the issues of family violence, anger, trauma, poor communication skills, isolation and shame, and the ongoing impacts of colonialization. Aboriginal elders and facilitators will act as role models in providing safe, ongoing education and support circles that incorporate traditional teachings and cultural practices.	\$20,000	Vancouver

Civil Forfeiture & Criminal Forfeiture Grants 2016-17, \$5.56M

Category	Applicant	Project Description	Grant Amount	Community
Indigenous Healing & Rebuilding	Atira Women's Resource Society	Aboriginal Women's Outreach (AWO) Program: This project will work with Indigenous women who are experiencing, or have experienced, violence and/or who are involved in street-level sex work. Specialized, holistic, culturally appropriate support to Indigenous women will be provided while also connecting clients to other services and assisting them with their day-to-day needs.	\$20,000	Vancouver
Indigenous Healing & Rebuilding	Pacific Association of First Nation Women	Restoring Right Relationship Toolkit Pilot: This project is a train-the-trainer, hands-on, community initiative with the goal to bring the circle process and Indigenous restorative relationship skills and practices to the front-line urban Aboriginal community, families, and communities. The project will pilot the toolkit with 20 coaches at Indigenous-focused agencies, provide healing circles in six sites in the inner city, and provide monthly cultural activities.	\$20,000	Vancouver
Indigenous Healing & Rebuilding	Victoria Native Friendship Centre (VNFC)	Awakening the Warrior Woman Within Program. This holistic program for women will foster the building of healthy relationships with self and with others, healthy parenting and life skills, healthy communication, positive self-esteem and self-confidence. Cultural history and teachings related to safety will be included.	\$20,000	Victoria
Indigenous Healing & Rebuilding	Oasis Society for the Spiritual Health of Victoria	Integrated Recovery and Holistic Wellness Program: This project uses a cultural approach to target Indigenous men and women living on the streets of Victoria and creates social connections through weekly meals, retreats with an Indigenous elder, connections to families of origin, hosted holiday celebrations, and neighbourhood community gatherings.	\$20,000	Victoria
Indigenous Healing & Rebuilding	Bridges for Women Society	W'SANEC Bridging & Outreach Program: This project will provide trauma counselling to isolated Aboriginal women impacted by violence, abuse and trauma and train reserve frontline workers on the impacts of trauma, violence and abuse, and supporting traumatized community members.	\$20,000	Victoria
