## Disaster Financial Assistance

Disaster Financial Assistance (DFA) is a provincial program administered by Emergency Management BC (EMBC) to help individuals, businesses and local governments recover from uninsurable disasters. The purpose of DFA is to provide a helping hand to get people and local governments back on their feet after an uninsurable disaster.

The DFA program operates under the *Emergency Program Act* and the Compensation and Disaster Financial Assistance Regulation. DFA eligibility criteria, as defined in the Act and the Regulation, have been applied consistently and fairly throughout the province since 1995.
