WEEKLY INCIDENT REPORT 21 – 27 Jul 2014

BODY RECOVERY

On 26 Jul 14 Vernon SAR members responded to assist with a possible body recovery in the Shuswap River, Shuswap Falls area near Lumby. A vehicle was located in approximately 25 meters of water and members were unable to determine if there was a body inside. The team was stood down until RCMP Dive Team could attend on site.

DANGEROUS GOODS

On 21 Jul 14, five sheep were reported dead in the vicinity of a mine's ammonium nitrate silo in the Elkford area. The Ministry of Environment Response Officer (MOE RO) raised the incident to Code 2 (urgent status) until the cause was determined. An investigation into the matter concluded that approximately 8 liters of wash water had escaped a building and collected in a pool. The material was contained and the site was remediated by the mine.

On 25 Jul 14, a logging truck and CN cargo train were involved in an accident at the crossing on Lewis Road in Burns Lake. The Ministry of Environment Response Officer (MOE RO) raised the incident to Code 2 (urgent status) due to the risk of the potential spill of dangerous cargo and heightened media interest. There was no dangerous cargo within the derailed intermodal cars which all contained dry consumer goods. CN retained the services of Quantum Murray Northwest and Triton Environmental services to conduct the site clean-up and remediation.

FLOOD

On 23 Jul 14, The City of Kamloops activated their EOC at level 1 to address overland flooding due to flash flooding in the area.

On 23 Jul 14, EMBC CTL activated the PREOC at level 1 to assist local government with flood related issues caused by heavy rain fall.

MISCELLANEOUS

On 23 Jul 14, The Burnaby ESS program investigated the possibility 6 to 8 residents of an apartment building would require assistance because of a broken water main.

On 24 Jul 14, The Columbia Shuswap Regional District ESS provided a needs assessment for a resident impacted by a residential trailer fire in the community of Sicamous.

POWER OUTAGE

On 23 Jul 14, a severe thunderstorm resulted in a widespread power outage in the District of Sparwood. An evacuation of several residents was necessary due to downed power lines in a mobile home park. ESS arranged accommodations for the displaced.
