2. Any City, Municipal, or Provincial Police department or public body including GPEB, pursuant to Section 33 of the *Freedom of Information and Protection of Privacy Act* (British Columbia), and the Royal Canadian Mounted Police pursuant to Section 8 (1) of the *Privacy Act of Canada*, to release any and all personal information and records, (including convictions, non convictions and charges regardless of disposition) retained by them in their files, including PIRS, CPIC, PROS, PRIME and LEIP or any other local indices and databases, and necessary for GPEB to perform registration and enforcement responsibilities under the *Gaming Control Act*.

These databases record all complaints the respective police departments investigate and include information related to non convictions and charges regardless of disposition. If necessary, an applicant will be required to provide fingerprints to verify whether or not they have a criminal record.
