

Dear LEH Hunter,

You are receiving this letter because you are a successful applicant for a LEH Mountain Goat hunt in Zone E, F, H, or J of MU 5-04.

On June 26, 2014, the Supreme Court of Canada (SCC) granted the Tsilhqot'in Nation a declaration of aboriginal title. The map in Appendix A shows an area that includes the declared title area. As a result of the SCC decision, the status of these lands has changed and they are not publicly available for hunting at this time.

The area and access to LEH Zones E, F, H, and J of MU 5-04 for Mountain Goat are outside the Tsilhqot'in title land (see map below in Appendix A) which means your hunt will not be impacted by the SCC decision and your LEH authorization is still accessible for you to use. The Province advises you to **not to enter** Tsilhqot'in title land.

Please contact the Fish and Wildlife Branch at 250-387-9771 or [fishandwildlife@gov.bc.ca](mailto:fishandwildlife@gov.bc.ca) if you have any questions about your LEH authorization.

Thank you for your cooperation and continued support as we work with the Tsilhqot'in Nation to fully understand the scope and implications of this decision.

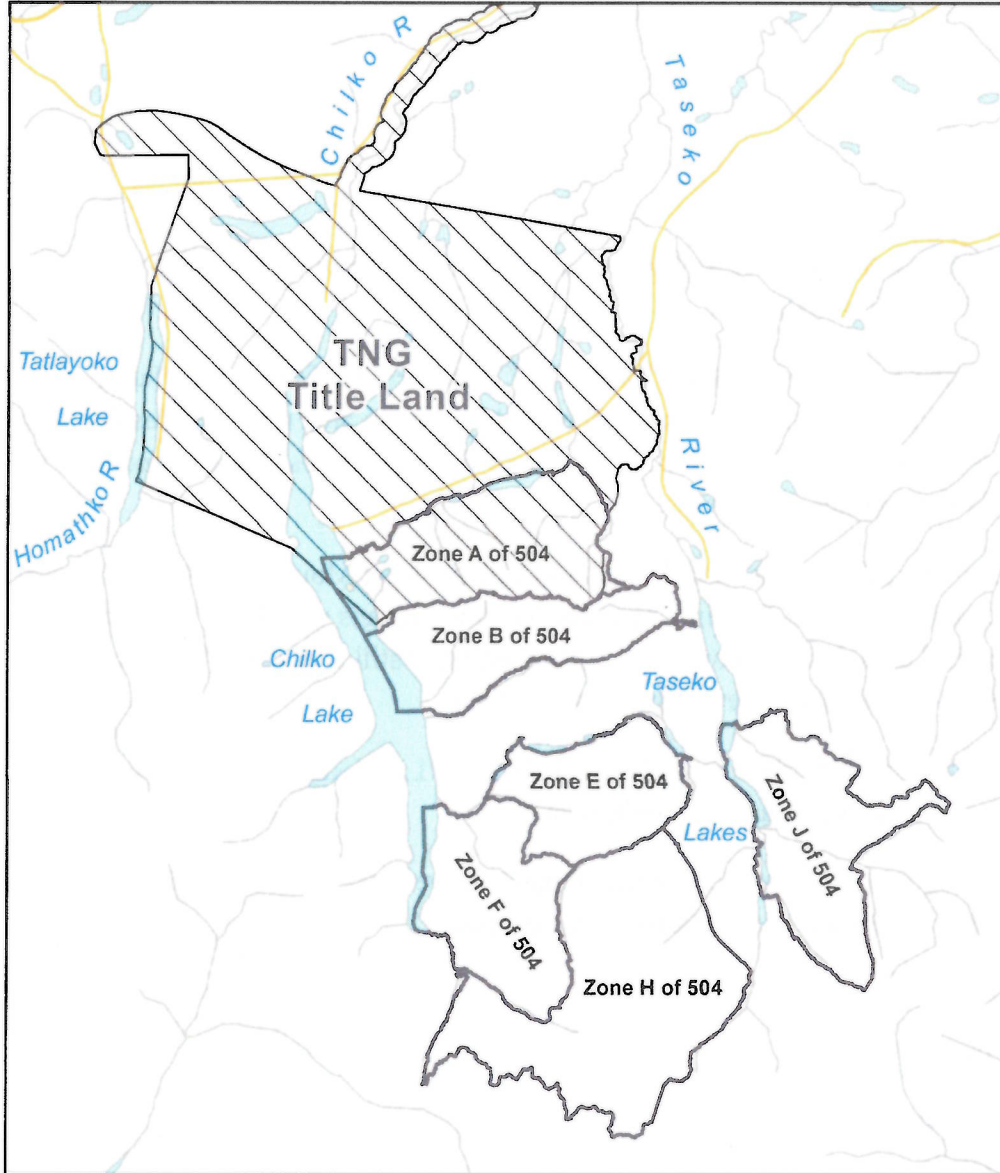

Sincerely,

A handwritten signature in black ink, appearing to read "J. Psyllakis".
