Step 2 – Using the Hunts table

NOTE: This step is optional. You can enter your hunt codes directly into the application form as noted in Step 1.

View and Filter Hunts:

- All hunts listed in the LEH Hunts table are for the Draw Name displayed in Step 1. The LEH Synopsis provides the same information as listed in this table.
- You can filter information in any part of the table. For example, if you wish to see only bison and caribou hunts:
- Click the down arrow next to Species, move your mouse over "Filters" and a list of species will appear
- Check the box next to the species you wish to filter on.
- You can filter on any column in the table this way.
- Click on row in the LEH Hunts table to view the area and any special instructions associated with that hunt.
- Use the + or symbols on the map to zoom in or out on a selected LEH area. Note that borders are approximate.

Add Hunts to your application:

- Click **Add** next to the hunt code.
- The Hunt Code will automatically populate the First Choice Hunt field in the application form
- If you wish, click **Add** next to the hunt that corresponds to your optional Second Choice Hunt.
