#### **Notes to the Financial Statements**

## <u>Financial Information Act - Statement of Financial Information</u>

Library Name: Pemberton and District Public Library

Fiscal Year Ended: December 31, 2019

The Pemberton and District Public Library ("Library") was established in 1979 pursuant to the *Library Act* of *British Columbia* (Part 4) as a Public Library Association and is a registered charity under the *Income Tax Act*. Its principal activity is the operation of public library services for the residents of the Village of Pemberton and Area C of the Squamish Lillooet Regional District.

The Library Board, on behalf of the residents and taxpayers of the Village of Pemberton and Area C of the Squamish Lillooet Regional District, oversees the management and operation of the Pemberton & District Public Library and further serves as a policy making body for the organization. The Library Board is elected by members of the public library association among themselves, with local representatives appointed by the Village of Pemberton and Area C of the Squamish Lillooet Regional.

The Library is funded and supported primarily through an annual contribution from the Village of Pemberton and Area C of the Squamish Lillooet Regional District. Revenue is also received from provincial government grants, donations, and other miscellaneous sources.

#### 1. Significant Accounting Policies

#### a) Basis of presentation

The financial statements of the Library are prepared by management in accordance with Canadian generally accepted accounting principles. The financial statements are unaudited.

#### b) Basis of accounting

The Library follows the accrual method of accounting for revenues and expenses. Revenues are normally recognized in the year in which they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay.

#### c) Tangible Capital Assets

The Library leases the building from the Squamish Lillooet Regional District. Leasing costs are recorded as an expense in the year they occur.

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets is amortized on a straightline basis over the estimated useful lives of the assets as follows:

Furniture and equipment 10 years
Technology 5 years
Print and audiovisual materials 1 year

Amortization commences when the asset is put into use. The cost of electronic resources, including books, magazines and other periodicals is expensed as they are generally licensed on an annual basis. Print and audiovisual materials are fully amortized in the year of purchase.

#### d) Reserves

Reserves are established at the discretion of the Library Board for future operating and capital expenditures. The reserves are held by the Library.

#### e) Employee Benefits

The Library and eligible employees make contributions to the Municipal Pension Plan, a defined benefit multi-employer plan. These contributions are expensed as incurred.
